						Who is Jesus?
Indoor PE		**Gym Sequences** Learn about front support balances and back support balances. Put these into a sequence to music.	Look at symmetrical and asymmetrical balances. Add these to the sequence produced last lesson.	Refine skills with various types of rolls, modelling safe technique. Add these into group sequences.	Learn about counterbalance (revision from year 5). Add counterbalances to sequences.	Recap what working in canon and unison means. Create a group sequence using these (along with previously learnt skills) to create a sequence with a clear ending.
Outdoor PE	**Nimble nets (Badminton)** Learn how to hold racket accurately as well as learning about the correct stance (ready position). Shuttle keepy uppy to practise wrist technique. Maintain one-to-one rallies in pairs.	Look at high/long serves vs low/ short serve techniques. Play badminton golf to practise technique.	Revise and refine high and long shots – target practice. Play king/queen of the court to develop skills at using overhead clear shots.	Learn how to use the drop shot. Play half-court singles games.	Revise different shots learnt. Play doubles games.

Computing						**We are market researchers** Create survey (Bloom's Synthesis) questions in google forms. Discuss need to make questions unambiguous. Share surveys with target audience (i.e. other classes/ teachers within the school). Use summary of responses tool to get an overview of results. Use graphs produced to summarise results (write summary in Learning Links books). Evaluate reliability of results. Plan and hold individual interviews with target market. Analyse the interview information.
History						
Geography				Develop understanding of the water Cycle Look at causes and consequences of erosion and deposition	Rivers learning continued: How do we use rivers? Damming rivers
