

Child Protection at Sandgate Primary School

What is child protection about?

At Sandgate Primary School, all of the adults around you think that your health, safety and welfare are very important. In our school we respect our children and want to keep you safe and help to protect your rights.

We do our best to help you to make good progress in your school work and to be happy.

We teach you how to recognise risks in different situations and how to protect yourselves and stay safe.

How will we protect you?

- We will provide a safe environment for you to learn in.
- We will ensure that you remain safe, at home as well as at school.
- We think it is important for you to know where to get help if you are worried or unhappy about something.
- You can talk to any adult in school - including your teacher, your teaching assistants, Mr Green, Mrs Jones, Miss Savage and Mrs Hill.
- It is Mrs Hill's special job to keep you safe - talk to her if you are worried.
- You could even write a note to an adult.
- Tell a friend and then go with your friend to tell an adult.

Don't keep it a secret if someone is:

- Bullying you;
- Saying things to you that you do not like or which upsets you;
- Touching you;
- Trying to give you tablets, cigarettes, drugs or alcohol;
- Hitting you or hurting you;
- Taking your things;
- Says or sends unkind things to you over the internet or through messages online;
- Doing or saying things which make you feel uncomfortable;
- Not looking after you or caring for you properly.
