

2nd March 2017

Parents/Carers of children in Year 3

Dear Parents/Carers

You are invited to attend an exciting event being held at school on Thursday 9th March 2017 between 3.30 p.m. – 4.30 p.m. delivered by University of Kent. The 'Cool Physics' show, which focuses on low temperature science and uses liquid nitrogen to freeze various materials is an interactive show which we would like to share with you and your child.

If you would like to come along please complete the slip below and return it to the school office by Monday 6th March 2017.

Unfortunately, due to the nature of the show younger siblings are not able to attend this particular event.

Yours sincerely

A handwritten signature in black ink that reads "A Langley".

Mr A Langley
Science Lead/SLT
