

20<sup>th</sup> March 2017

Dear Parent/Carer

Your child is invited to attend a cycling training course, which will take place at school. The course lasts for one and a half days and is an introduction to riding on local roads. The course will take place in May during the school day.

Training takes place on public roads. Cycle helmets are compulsory during the course. Children do the training on their own bicycles which must be roadworthy and fit the rider. However, if your child does not own a bike, one may be available from the Bikeability leader.

The course is accredited to the National Standard for cycling training known as Bikeability. The course will cover Level 1 (off-road cycle skills) and Level 2 (on road). Pupils are required to demonstrate competence at Level 1 before they are able to progress to riding on the road. Further details will follow once we have established numbers.

The course will be funded by the school.

Please return the permission slip below by Friday 24<sup>th</sup> March 2017.

Yours sincerely

  
Mrs N van der Wal

FAO: Mrs van der Wal

Bikeability May 2017

Year 5

My son/daughter \_\_\_\_\_ Class \_\_\_\_\_

would like to take part in the Bikeability course.

I give permission for the teacher in charge of the group agreeing on my behalf for the administering of anaesthetic or any other urgent medical treatment which may prove necessary.
