

29<sup>th</sup> March 2017

Dear Parents/Carers

We are fast approaching the Year 2 SATs (Standard Assessment Tests) which will take place during May. These assessments in English and Maths will reflect the new national curriculum and are intended to be more rigorous. There will also be a completely new marking scheme to replace the existing national curriculum levels. Children will sit assessments in:

- Reading
- Maths

The previous national curriculum levels have been removed, and instead children will be given a teacher assessment which will be explained further during the meeting.

The Year 2 team will be sharing information about the Year 2 SATs and End of Year Reporting Requirements on **Wednesday 19<sup>th</sup> April 2017 at 5.30pm** in the Main School Hall. Examples of the new tests and mark schemes will be shared and discussed, as well as some ideas as to how your child can be prepared for the tests.

Yours sincerely

Mrs H Richley
