26<sup>th</sup> April 2017

Dear Parents/Carers

Please ensure your son/daughter brings in their bike and helmet for their Bikeability sessions. On their first session they should take their bike to the far car park (behind the hedge) where Mr Norman (instructor) will be. They should take their helmets into their cloakroom and go into class as normal.

Bikes do not have to have gears. School uniform must be worn for Level 1, however girls can choose to wear leggings/trousers for their session which they should change into at school. Please consider what the weather forecast is and be prepared. The children will be outside for the whole session.

Please take note that the afternoon sessions finish at 4.00 p.m.

Yours sincerely

Mrs van der Wal
