

24th May 2017

Dear Parent/Carer

Next term in Year 5, our topic is the Titanic and we are excited to announce that - to start off the term in a fun and memorable way - we will be having a Titanic dress up day on Tuesday 6th June.

Your child has been given a Titanic boarding ticket, with their passenger details on it. They may wish to try to make their costume match this character, but this is not mandatory (and may not be suitable, depending on which character your child has been given). As part of their home learning over the course of half term, children can also use the details we have given them to find out more about their character. They can do this by visiting <https://www.encyclopedia-titanica.org/> and typing in their character's name.

We look forward to seeing all the amazing costumes next term.

The Year 5 Staff
