

25<sup>th</sup> May 2017

Dear Parents/Carers

The Foundation team would like to invite grandparents in to share some of the children's learning with them and to be treated to a sandwich (made by the children) as a thank you for their support during their first year at school. This event will take place on **Friday 9<sup>th</sup> June 2017** at **2.00 p.m.** and will finish by 3.00pm

So that we can get an idea of how many to cater for, please could you complete the form below and return by Monday 5<sup>th</sup> June.

We understand that not everyone has grandparents who will be able to make it on the day, but rest assured that each child will be involved in making and enjoying the food.

Yours sincerely
