

Thursday 7th September

Dear Parents/Carers

We are pleased to inform you that Year Two will be enjoying a local walk to the beach on Tuesday 19th September to decorate pebbles as part of our 'Lost and Found' topic and linking in with the 'Channel Rocks' pebble search and hide activity in and around Folkestone.

The children will come to school as normal and walk to the beach in the morning, returning to school in time for lunch. They should wear school uniform but may wear alternative comfortable shoes or trainers for walking if they wish.

Please ensure that your child has suncream, water and a sunhat if the weather is on our side and a waterproof coat if not!

Best wishes

The Year Two Teaching Team
