Dear Parents/Carers

We have been given a superb opportunity through the government's Music Plus Scheme to provide some free music tuition for Year 5 children. This means that we can offer lessons for all the children to play a brass instrument for the whole of this year. We have instruments loaned from Kent Music School to use and I will be providing the teaching.

### **Loan of musical instruments**

As well as providing tuition in school I would also like to offer your child the opportunity to take their instrument home to practice. Children will be expected to take their instruments home every Friday and brought back in the following Friday.

If you would like to have an instrument on loan please would you sign the slip below noting the following:

- The instrument is the property of Kent Music School and is on loan to you free of charge.
- In the event of loss or damage to the instrument you must be prepared to accept full financial responsibility.
- Instruments in need of repair should be returned to the school immediately and not repaired privately.
- If lessons are discontinued the instrument should be returned to school immediately.

Could you please complete and sign the slip below and return it to school as soon as possible.

Yours sincerely

Mr P Driscoll  
Music Tutor
