

9th November 2017

Dear Parents,

On Friday 17th November 2017, Year 5 will be attending the Quarterhouse to watch 'What is Science?'.
The show has been described as:

A fun introduction to what science is, what scientists do and how science is communicated. Brian will recreate Newton's rainbow, explore the different languages science is written about in and find out how a simple question like "How old are you?" can have many answers, bringing in dinosaurs, exploding stars and the origins of the universe.

Brian Clegg is an award-winning popular science writer. He has written over twenty science books including *A Brief History of Infinity* and *Dice World*, both longlisted for the Royal Society Prize for science books.

Children will be leaving school by coach at 11:00am and returning at 12:45pm. Lunch arrangements will not be affected by the show.

If you are available to help chaperone on this trip, please can you indicate on the slip below.

Yours sincerely

Miss Thomas

Year 5 – Quarterhouse Trip

I give permission for my child _____ in the _____ class to visit the Quarterhouse on Friday 17th November 2017.

I also give permission for the teacher in charge of the group agreeing on my behalf for the administration of an anaesthetic or any other urgent medical treatment which may prove necessary.

[] I am able to accompany the Year 5 to the Quarterhouse on Friday 17th November 2017.
