# ART COMPETITION

Are you an inspiring artist?

Your artwork could be exhibited at the world class Turner Contemporary art gallery in Margate and at the Nairobi National Museum in Nairobi, Kenya!

PORTFOLIO IS TURNER CONTEMPORARY'S ANNUAL ART COMPETITION AND WE'RE INVITING YOU TO ENTER YOUR ARTWORK.

### The Theme: Art, Animals and Us

*Inspired by Turner Contemporary's 2018 Summer Exhibition, this year's theme 'Art, Animals and Us' explores our relationship to the animal world.*

- What human characteristics do we link to certain animals and why?*
- When did the relationship between humans and animals begin? (Evolution, prehistoric age, mythology, religion).*
- Where do we encounter animals in our lives and how do we communicate with them? (At home, in the wild, in a zoo, with technology).*
- Why do we keep certain animals as pets?*
- How does our relationship with food affect our relationship with animals?*
- Who is responsible when scientists are warning of mass extinction?*

**The competition closes at midnight on 1 March 2018.**

During the first week of March, a panel of professionals from leading cultural and education institutions will judge the entries, and make a shortlist.

Shortlisted entrants and their families will be invited to and encouraged to attend a special presentation evening at Canterbury Christ Church University at which winners will be announced and prizes given.

Winning artwork must be delivered to Turner Contemporary shortly after this.

Winners please see Turner Contemporary staff at the presentation evening to discuss your individual requirements.

Winning entries, runners up, highly commended works and shortlisted entries will be displayed as part of Turner Contemporary's 2018 Summer Season .

Once you have entered your work, there may be a short period before your work appears on the website.

- Your artwork can be in any medium and of any size, for example you may choose to use photography, painting, drawing, digital design, film, sculpture or collage.**

Please hand in your entry to Mr Sharp (or via the office) and ensure your entry has your name, age and title of the art on the back or attached to it.
