Everyone deserves the taste of success

Issue 30

Friday 18th May 2018

Since Monday, the children in Years two and six have been completing their Statutory Assessments. Their attitude has been one of determination and positivity, seeing the assessments as an opportunity to celebrate all they have learned during their time in school.

Although they are important, they are not defining; there is so much more to a child's time in primary school which prepares them for their future.

I would like to commend all the children involved to you and also the pupils in all other year groups who have shown respect and courtesy when conducting themselves to create a supportive atmosphere around the school.

Mr Matthew Green, Headteacher
