

25<sup>th</sup> May 2018

Dear Parents/Carers

Thank you to all those parents who have sought further information or offered support regarding the school crossing.

I am pleased to be able to share the news that our new caretaker, Clive Turner, will be starting the role on 18<sup>th</sup> June. Clive is an experienced caretaker and we have worked hard to make this appointment so quickly after only very recently hearing that Mr Barkley would be retiring.

Once in post at Sandgate Primary, Mr Turner will be trained by Kent County Council to be our new Crossing Patrol Officer. We have already started assisting with his application to speed the process up as much as possible; however, training cannot begin any earlier than 18<sup>th</sup> June 2018.

We share the importance you all place on our crossing patrol and have worked hard to minimise the delay in an appointment being made. Unfortunately, whilst not ideal, this slight delay has been unavoidable.

You will be kept updated on the situation and if you have any questions or concerns, please do approach the school so that we can answer them for you.

Enjoy your half term.

Yours sincerely
