Thank you to the large number of families who responded to our parent questionnaire; as you can see, the feedback you gave was overwhelmingly positive.

The areas you felt that we do particularly well include how well we know the children as individuals to meet their needs, the pastoral care provided, availability of staff before and after school, the stimulating and nurturing environment staff create, effective communication from the school and opportunities for families to be involved in and view children's learning.

There were many examples of individual staff being commended for their work, which will of course be passed on to them. There was also an opportunity to make suggestions about how we can continue to improve and your comments were constructive and useful. Over the next few newsletters, I will share some of these suggestions and the actions we will take as a consequence.

Thank you for your continued involvement with and support of our wonderful school.

Matthew Green, Headteacher

A reminder that during the summer weeks children should have sun hats, sun cream (which they can apply themselves) along with a water bottle. All children will need a water bottle during Sports Days!

This month, Oliver K, Geckos, travelled to Azerbaijan to participate in the World BMX Championships where he put in an amazing performance and finished 6th in the World for his age group.

Amazing!

Congratulations to Sophia C in Seals for passing her Primary Ballet exam with Merit!

Edie-May M-J, attended the Turner Contemporary Gallery this week as the Runner Up in the Art, Animals and Us competition. Her fantastic creation is entitled 'Human zoo'.

Well done Edie-May!

On Tuesday the Year 5/6 hockey team travelled to Rochester to take part in the Kent Quicksicks Hockey finals. They played some fantastic hockey in the group stages and missed out on the top three playoffs by goal difference only. We then played off for 4th place, showing great resilience to beat the team from Tunbridge Wells and secure the best ever result for a Year 5/6 hockey team at the Kent finals. Final placing 4th best team in Kent out of a possible 14!

Medication in School: Please ensure your child's medication is handed into the school office and that you have completed a permission form. This will be taken to the class teacher and will be returned to you at the end of the day by an adult from your child's class.

Can we please remind parents and carers for your own safety to use the designated crossing area at all times. Could you also remember not to park on the zig zag areas and yellow lines outside the school and adhere to the speed limit along Coolinge Lane.

Thank you
