Classes and Staffing for 2018/2019

The end of the academic year is fast approaching and, as we look back at all the hard work and achievements of the children, we should all feel a great sense of pride in every one of them.

It is also the time when we look ahead to the next academic year as the children continue their Sandgate journey. Today we welcomed two new teachers to the team: Miss Southgate and Mrs Perrow.

We also have three exciting weddings taking place this summer: Miss Savage will be welcomed back to school in September as Mrs Shoob and Miss Waggett will be welcomed back as Mrs Davison. We would also like to congratulate Mr Goodeal on his forthcoming wedding in August.

Here are the classes for 2018/2019:

The children spent this morning in their new classes with their new teachers, finding out about the learning opportunities that await them. I hope that they have enjoyed "moving up".

In September, we will invite you to meet the teaching team, and you will have the opportunity to visit your child's class as well as meet the staff. Throughout the year, there will be further events keeping home and school working together to encourage and support every child.

There is so much to enjoy in the academic year ahead.

Yours sincerely

Mr Matthew Green
Headteacher
