

23rd November 2018

Dear Parents/Carers,

Just a reminder that next **Tuesday 27th November 2018** we will be taking the children in Year 5 to the Ragged School Museum in East London, as part of their curricular learning for Term 2 about the Victorians and Industrial Revolution. The children will take part in two workshops each about Victorian schools and Victorian kitchens, which they are all very excited about. We have spoken to the children already about the fact that this museum is one of a number of Ragged schools set up by Dr Barnardo during Victorian times and the only one in East London that you can still visit, with its classroom left as it was in those times.

Children will need to be in school at **8.00am**. We will be travelling by coach to the museum and will leave school promptly at 8.15am, so please make sure your child arrives promptly as we will not be able to wait for any latecomers. We will be leaving the Ragged School at approximately 1.30pm and should return to school well before the end of the school day of 3.15pm. We will update you on the day via text message if we are running late for any reason.

You will have already indicated whether or not your child will need a packed lunch provided by our caterers, Pabulum. Please remember that we are a healthy school and fizzy drinks or sweets are not permitted.

Children will be allowed to bring a maximum of £5 to spend in the small gift shop. There are a range of pencils, erasers, notebooks, postcards and small, inexpensive Victorian style toys that they may purchase. Children will not need to use the café, as they will be bringing their own lunches.

As is in line with school policy, all children will be expected to wear their school uniform and to bring a warm coat as it is now rather chilly.

Yours sincerely

Dear Parents/Carers,

Just a reminder that next **Tuesday 27th November 2018** we will be taking the children in Year 5 to the Ragged School Museum in East London, as part of their curricular learning for Term 2 about the Victorians and Industrial Revolution. The children will take part in two workshops each about Victorian schools and Victorian kitchens, which they are all very excited about. We have spoken to the children already about the fact that this museum is one of a number of Ragged schools set up by Dr Barnardo during Victorian times and the only one in East London that you can still visit, with its classroom left as it was in those times.

Children will need to be in school at **8.00am**. We will be travelling by coach to the museum and will leave school promptly at 8.15am, so please make sure your child arrives promptly as we will not be able to wait for any latecomers. We will be leaving the Ragged School at approximately 1.30pm and should return to school well before the end of the school day of 3.15pm. We will update you on the day via text message if we are running late for any reason.
