

Sandgate Primary School

Everyone deserves the taste of success

Issue 28

Friday 3rd May 2019

Children, staff and governors have been spending a lot of time this year thinking about what makes the very best school experience for pupils. As students of Sandgate Primary, what knowledge, skills, experiences and opportunities do we want them to be offered to not only be happy and successful in school, but also to be happy and successful in life.

We have a strong sense of community at our school; we share values and aspirations for all the children and work together in order to achieve them. During the Staff Development Day on Monday 3rd June, all staff will be working to ensure that Sandgate's vision represents the views of all stakeholders, so I would very much like to hear from you about this. It could be three words to sum up what you believe, a list of experiences that children should be offered or even something more in depth. Over the coming weeks, I would very much like to hear from you on this subject. You can contact me by email on headteacher@sandgate.kent.sch.uk or by letter through the school office. I hope that as many of you as possible find the time to do this.

Enjoy your long weekend.

Mr Matthew Green, Headteacher

Six Ways to Wellbeing Place: Take Notice

We hope that you enjoyed taking notice of the colours around you during the Easter break and that taking this bit of time to be mindful

of the things around you had a positive impact on your wellbeing.

This fortnight why not spend some time taking notice of the smells around you. If you walk through an area with flowers, can you smell them? What smells do you notice in the different rooms of your house? What can you smell when you're out shopping?

Don't forget, if you would like to make a note of all of the smells you notice this can be added to the Six Ways to Wellbeing display board in your classroom.
