

17th May 2019

Dear Parents/Carers

Our exciting trip is almost upon us and here is all the information you will need:

- The coach will depart from school on Thursday 13th June at 10.15 a.m. so children should arrive at school at the usual time. On this day only dinner is provided, therefore, please can all children bring a packed lunch.
- Children can wear their own clothes, but please remember that we will be outside for the majority of both days so they should dress according to the weather (suntan lotion and hat will be required if the weather is kind and a waterproof if not). They will also need sensible footwear as they will be doing the Treetop Challenge at Howletts on one of the days. This challenge requires children to wear a harness and we therefore recommend that they wear comfortable clothing that will keep their arms and legs covered to avoid friction burns.
- Bedding will be provided at Port Lympne but children may bring along an extra blanket or sleeping bag if they wish.
- Children should NOT bring iPads, mobile telephones or any other MP3 players as there will not be opportunity to use them. However, children may bring a disposable camera. We will be reminding the children that any photographs taken are for personal use only and should not appear on any social media outlets. Please can you reinforce this message at home.
- Spending money should be limited to £15.00 (including £3.00 for if they would like a second turn of the Treetop Challenge).
- On Thursday, children will be provided with a cooked dinner and on Friday they will receive breakfast and lunch. If you wish children may bring a small, healthy snack to be eaten in their accommodation.
- Although they will be provided with a carton of juice at lunchtime, please can children bring their own drinks in re-sealable plastic bottles to be reused throughout the day (no fizzy drinks please).
- We will arrive back at school at approximately 4.15 p.m. on Friday 14th June (traffic allowing). We will text if there is likely to be a long delay.

Yours sincerely
Year 5 Team
