

Sandgate Primary School

Everyone deserves the taste of success

Issue 33

Friday 14th June 2019

We've had a touch of showbiz at Sandgate Primary this week with many of our children taking part in filmed activities. Year 5 were invited to participate in a project run by Saga and the Port of Dover which explored the many different types of employment these groups offer to the locality. Excitingly, the final clips will be shown at the naming ceremony of Saga's new cruise ship when it's launched by the Duchess of Cornwall later this year; they will also appear on board and in the ship's cinema.

The children from Year 4 visited the Three Hills to take part in an urban sports festival where they got a taste of the activities which will be offered when 'Folkestone 51' is completed. The children had a fantastic time, arriving back at school exhausted! If you were watching the news last night you will have seen some familiar faces being interviewed by the BBC.

A final reminder of our new shield for citizenship which we will be presenting at our awards assembly at the end of the year. Nominations need to be in by Friday next week.

Mr Matthew Green, Headteacher

Little Princess Trust

A big well done to Molly M in Stingrays who has raised £360 so far by having 12" of her hair cut off to donate to the Little Princess Trust, who provide real hair wigs free of charge

to children and young adults who have sadly lost their hair due to cancer treatment and other illnesses. She would like to raise £550 as this is the cost of making one wig using Molly's hair.

Thank you to everyone who sponsored Molly!

Marissa W in Panthers, along with other children in the Panthers class wrote letters to the Queen and were very excited to receive a reply back from Buckingham Palace!

Holly W wrote a letter to her favourite Arsenal player, Pierre-Emerick Aubameyang and received a reply and photos from Arsenal Football Club!

Congratulations to Sofia B in Snow Leopards for passing her Primary Ballet dance exam with Merit!

Six Ways to Wellbeing
Planet: Care

There has been a real buzz around the school this week about the importance of looking

after our environment. You have been great at lunging for litter on the school playground and field! This weekend could you keep this up wherever you go? Perhaps you could help clean up your local park, the beach, or even your own garden? (Please do be careful with what you are picking up. If you are unsure what it is, please check with an adult if it is safe to touch.)

Don't forget, we would love to see photographs, drawings or writing about this activity, which we can display on our 'Six Ways to Wellbeing' display boards.

Year 5 Titanic Day

On Monday 10th June the Chipmunks and Geckos took part in our Titanic Dress Up Day. We learnt about the lifeboats that were on board and the procedure that happened on that historic night. It was great to get into role and be part of the many guests on board the Titanic!

Year 5 Saga and Port of Dover cruise project.
