## Classes and Staffing for 2019/2020

This morning the children were introduced to their new teaching team and spent time in their new classrooms as part of moving up day. The children look forward to this day and enjoy finding out what the next academic year holds in store for them.

There is very little staff change this year, however we will be saying farewell to Mrs Stewart and Mrs Hagues who are retiring this term. Both have been at Sandgate for a long time, contributing so much to the school community; they will be greatly missed.

We will be welcoming a new teaching assistant in September – Mrs Pavlova is a very experienced TA and has been a teacher herself. She is delighted to be joining the team.

There will be the opportunity in September for you all to come in to meet your child's new teacher with further learning together events through the year.

Here are the classes for 2019/2020:
