At Sandgate we are proud of all our children and celebrate their achievements at every opportunity. Whether it be sports, music, compassion, service to the community, animations or out of school awards (amongst others) we love the chance to share these with you.

This week we would like to congratulate those children whose artwork was chosen from hundreds submitted by Sandgate pupils into the Remembrance art competition as winners; I am sure you will agree that they are poignant compositions which were judged by many Grandmasters of the Arts.

It was a privilege to receive the following message in the post from the grandest of the Grandmasters:

"Sandgate Primary is awesome and was noted by many artists"

I wholeheartedly agree with her although I may be a little bit biased!

This term is a busy and potentially expensive one for our Sandgate families and we are aware of previous feedback asking us to co-ordinate our fundraising or non-uniform activities. With the pantos, plays, Christmas Fair, cake sales and tag day already planned for this term we are already asking a lot of you. It is for this reason that instead of dressing up to raise money for Children In Need we will be donating the profits of our Christmas play raffle to this most worthy of causes.

Finally, I would like to send a plea in collaboration with Mr Lester, the Headteacher of Folkestone School For Girls, for considerate parking along Coolinge Lane. There are double yellow lines along stretches of this road for good reason and parking on them compromises the safety of not only Sandgate children, but also those attending the girls's school. With the darker nights now upon us traffic is increasing and we are both concerned about the children in our care.

Thank you for your understanding.

Mr Matthew Green, Headteacher

Remembrance Art Competition

Each class took part in producing Art themed around Remembrance Day. The class teacher then chose two pieces to be put forward for the competition which was judged by many Grandmasters of the Arts. Beatrice Cloake, Grandmaster of Fine Arts, put the website together for us and set up the competition with the other Grandmasters. If you would like to take a look at the children's art work follow the link:
