

26<sup>th</sup> February 2020

Dear Parents/Carers

We are approaching the Year 2 SATs (Standard Assessment Tests) which will take place during May. Children will sit assessments in:

- Reading
- Maths

They will also be given a teacher assessment for writing but no formal test will be administered. Children will be given a teacher assessment for Reading, Writing, Maths and Science which will be explained further during the meeting.

The Year 2 team will be sharing information about the Year 2 SATs and End of Year Reporting Requirements on **Thursday 5<sup>th</sup> March at 6.00pm** in the Main School Hall. Examples of the tests and mark schemes will be shared and discussed, as well as some ideas as to how your child can be prepared for the tests.

Yours sincerely

Year 2 Team
