Six Ways to Wellbeing

Planet: Care

This week it would be great if you could be mindful about what you are throwing in the bin and whether it could be recycled instead. Do you know what can be recycled in your area? If not, can you find out? How many items do you think you could recycle in a week? This should be great for the environment and your wellbeing!

Don't forget, we would love to see photographs of this activity, or a drawing or piece of writing about your experience.

IT'S GAME ON

Mile Run for Sport Relief!

On Wednesday 11th March the children and staff ran/jogged/walked up to a mile during the school day to raise money for Sport Relief.

Thank you to everyone who donated.
We raised a fantastic £323.12!

Year 6 Handball Tournament

Our Year 6 Handball team competed in a tournament this week. They showed great teamwork and skill and finished in 5th place out of 16 teams.

We hope you enjoy your Mother's Day gifts!
