Filming has finished! The children were all naturals and loved the opportunity to talk about the school, their friends and their learning. The adults... well they are recovering slowly!

The final video will be released in a couple of weeks; we will be uploading it to our social media accounts. While the initial idea was to give prospective parents (who are unable to tour as normal) an insight into the school, we also wanted to it to capture the feeling of a regular day at Sandgate as a memory for you and the children.

I was very impressed when Mrs Richley shared the news that we had our first word millionaires of the academic year. We have always placed great emphasis on instilling a love of reading in pupils and this is even more important in our drive to negate the impact that last year's lost learning may have had on them. Well done Fraser, Alfie and Joseph – I am proud of you.

We have two very new members of the Sandgate Primary community. Mrs Davison is settling in at home with baby James and Mr & Mrs Evans welcomed baby Isabelle in the early hours of this morning. On behalf of us all may I say a huge congratulations and send our love.

Best Wishes
Matthew Green

The Bumblebees and Butterflies have been busy making paper aeroplanes to travel around the world! They even tried some djembe drumming!

Many children and young people across the UK will be missing out on their usual sport clubs. The Youth Sports Trust is here to help all young people feel part of a club that helps them develop skills and learn something new. The After School Sport Club will be led by Athlete Mentors from different backgrounds, abilities and sports. The first session will take place on Thursday 12 November at 5pm, with the world's number one female inline skater and ten times British Champion, [Jenna Downing](#). Every day at 5pm from 16 November until 18 December, children and young people can join in with the live broadcast for free on our [YouTube](#) channel.

Year 3 had a Zoom meeting with Kate (local vicar) for RE this week.

Year 5 had an super time playing the drums and different music games!

An amazing display of artwork from Year 4 is currently on display at Folkestone Central Station.
