

Year 1's Activity Grid

Week Beginning Monday 8th February 2021

For your afternoon learning this week, please pick any of the activities below to enjoy at home. There are nine activities but you do not need to complete them all. Choose the activities that you would like to do. You also do not need to turn-in any completed learning to Google Classroom.

Junk modelling.

Collect and recycle materials such as yoghurt pots and cartons. See what you can create with them!

Go for a walk.

Make some wild art out of flowers, sticks and leaves. Take a photograph or draw it when you get home!

Get baking.

Find a recipe you like and have a go at making it. What will you make? Biscuits, cake, fruit salad, or something else?

Be your own publisher.

Create a front cover for your fantasy story book that you created last week. Remember to put the author's name!

Get Active

Lower Body Fitness – Strength and Coordination
How many step-ups can you complete in 60 seconds? Stand in front of a step or bottom stair at home. On 'go', step up one foot at a time and then down and repeat. Use your arms to help you. Don't forget to count how many steps you do in 60 seconds.

Build a reading den

Find somewhere cosy to build a den with cushions and blankets and snuggle up to read a favourite story.

Write a song

Think of a tune you know already and write your own words. Teach your song to someone else and sing it together.

Make a diorama of your fantasy setting.

Use an old shoe box to create a model of your setting. See attached sheet for inspiration.

Paper aeroplane challenge.

Make a paper aeroplane and see how far you can fly it. Make a target and see how close you can get it!
