

Year 4's Activity Grid

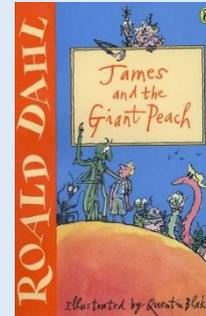

Week Beginning Monday 8th February 2021

For your afternoon learning this week, please pick any of the activities below to enjoy at home. There are nine activities but you do not need to complete them all. Choose the activities that you would like to do. You also do not need to turn-in any completed learning to Google Classroom.

Choose your song from the current chart hits and create your own album cover.

Watch James and the Giant Peach and discuss how the film compares to the book. Which did you prefer? How was the story different? If you could change something, what would it be?

Create a family memory box of things that will remind you of being in lockdown 2021.

Play a board game with your family. Or even better, make up your own board game or card game and write a list of rules. When it's ready, teach your family to play along with you!

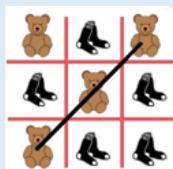

Keep a gratitude diary or list. Write down what makes you happy and what you are grateful for.

Play 'Right Way Wrong Way'
(See guidance and rules below)

Play 'Noughts and Crosses'
(See guidance and rules below)

Play 'Silly Stories'

Each player takes it in turns to add one word/sentence to create a silly story. This can get your brains thinking. There is no limit, be as creative as you like!

Termly PE challenge: How many step ups can you complete in 60 seconds? Practice a few times and see how high you can score!

- Stand in front of a step OR bottom stair if at home.
- On go, step up one foot at a time and then down and repeat. (Use your arms to help you).
- Don't forget to count how many steps you do in 60 seconds.

Right Way Wrong Way

Home Physical Education

Can you play fairly and encourage each other?

How to play:

- Layout objects; teddy bears, cones or toys across the space making sure they are all upside down.
- On 'go' how long does it take to turn all the objects the right way up?
- What could you do to get quicker and beat your time?
- Play against an opponent. Who can turn all the objects around the quickest?

Can you keep trying even if someone else is quicker than you?

Top Tips

On your toes!

Moving on the balls of your feet, and bending your knees will help you move quicker to each object!

Let's Reflect

Were you able to move on the balls of your feet to be quick?

Did you have a plan for which order you would turn the objects over?

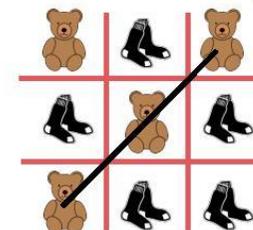

Noughts and Crosses

Home Physical Education

Can you play fairly and play by the rules?

How to play:

- Mark out a noughts and crosses grid, using chalk, paper or hoops.
- Each player needs 5 items; socks, teddy bears. Make sure each player has a different set of items.
- On the command go, players race and put one item at a time inside one of the free spaces in the noughts and crosses grid.
- The first player to get 3 in a row are the winners.

Can you try a variety of different tactics?

Top Tips

Think Tactically

If you can not win a game, how can you prevent your opponent from winning?

Let's Reflect

Did you try to plan where you were placing your items before you started running?

Did you have to adapt your plans during the game?
