

Dear Butterflies and Bumblebees,

Another great week at school! This weekend, we would love you to focus on remembering the number bonds to 10. There is a sheet on the back to help but you can just play tennis with the facts (I say 6, what do you say? 4. I say 2, you say.. 8 etc)

Love Benny and Bertie

Week beginning 15<sup>th</sup> March 2021

Dear Parents,

The children are doing so well with their learning at school. Their handwriting progressing brilliantly and they are trying so hard at remembering those lead in lines. They are also writing so much more about our innovated story (ask your children the new name for their pirate, we have Bob, Cat, Ruby and....)

In maths, the children have impressed us with subtraction, remembering the steps from the learning at home. Some are even making connections between addition and subtraction which is amazing. Well done Butterflies and Bumblebees.

We are close to some children getting their first certificate for reading at home. When a child reads every day at home it has such an impact on their progress and confidence in reading. This is something we will really be focusing on with the children as we look to really promote the value and enjoyment of reading.

Due to Covid the children are not able to change for PE at school, which we feel is an important skill for the children to develop. Please encourage your child to be independent at home when getting dressed, putting on their shoes and fastening their coats. We have been focusing on doing our zips at school prior to going out to play and the children are so proud of themselves when they do it independently.

We still welcome any donations of recycling to use for junk modelling, especially small cardboard boxes and tube shaped items. Thank you very much in advance.
