

Friday 23rd April 2021

Dear Parents/Carers,

You will all have received details of the WOW initiative that we are participating in which encourages families to walk, ride or scoot to school. Until now we have been asking that bikes and scooters are taken home, but to support the WOW challenge, and also because we know how many children enjoy bringing them in to school, an allocated parking area will be in place for each class from Monday.

It would be helpful if you could remind children before and after school that they need to push their scooter or bike when they are inside the school gates; this also applies to younger siblings who do not attend the school.

Please see below locations for where scooters and bikes can be stored during the school day, starting from Monday 26th April:

Year/Class	Location	
Foundation	Foundation playground to the right of the exit gate.	
Owls	Year 1 playground along the fence next to Greenfields Nursery.	
Rabbits	Year 1 playground between the entrance and exit gates.	

Panthers	Against the wall to the right of the classroom.	
----------	---	--

Penguins Turtles	The original scooter/bike park.	
Year 3	To the side of the classroom exit door.	
Seahorses	In the Community Room.	
Geckos	Against the wall/railings under the staffroom window – to the side of where the Geckos exit school.	
Tigers	To the left of the classroom exit door.	
Year 6	To the left of the year 6 classrooms against the fence.	

Kind regards,

Mr Matthew Green

Head Teacher
