

Dear Butterflies and Bumblebees,

For this weekend's home learning, we would like you to continue to think about time. As you enjoy your weekend, can you notice the different times that you do things? Can you talk about your routines with a grown up, what time do you go to bed? What time do you have dinner? Have a look at where the hands are on the clock at this time, you could even make your own clock or watch at home!

Love Bobby and Bertie

Week beginning 10<sup>th</sup> May 2021

Dear Parents/Carers,

This week, we have continued with our 'boxing up' of the story of The Dinosaur Party. We have got to the end of the story and we will now be consolidating what we have learnt before we have a go at our Hot Task next week. In Maths, we have been learning about time. We have been talking about the different things we do at different times of the day and we have also been looking at clocks. At this stage, we have introduced the concept of 'o'clock' and 'half past'.

This week, you should have received a letter via email regarding the teaching of our Sex and Relationship Education (SRE) Scheme. We will be starting to cover this from next week, so please do come and speak to us if you have any questions.

Dates for your diaries:

- **Tuesday 25<sup>th</sup> and Wednesday 26<sup>th</sup> May:** Parent Teacher Consultations
- **Friday 28<sup>th</sup> May:** End of Term 5
- **Monday 7<sup>th</sup> June:** Staff Development Day (No children in school)
- **Tuesday 8<sup>th</sup> June:** Start of Term 6

We are running low on junk modelling so any empty boxes and tubes would be great for making dinosaur models! Also any small bottle tops you have please (milk and pop bottles).

Just a reminder to ensure all items of clothing that come into school are clearly named, this includes hats.

We also have some happy news to share with you this week, as Mrs Brown is expecting a baby! (Due early October, so she will still be teaching the Bumblebees class until the end of the academic year.) We have shared the news with the children today as well =)

Please remember that if you have any queries or questions you can write us a note in the home school diary and will find a time to answer your question.
