as we await further operational  
guidance*

The Big Bee Challenge is Radio 2's brand new competition for kids, in partnership with the Royal Horticultural Society.

It's a fun and creative way to learn more about bees and other insects that help provide much of the food we eat, and are essential for a healthy environment.

If you are between the ages of 6 and 12, we want you to design a bright, buzzy garden that will attract bees and other pollinating insects. The winner's design will be built by the RHS at an NHS Trust site which is used by children and young people with mental health needs.

For more details and to enter, please follow the link below:

with  
Mrs Shoob**

**Monday 21st June 2021**

**Tuesday 22nd June 2021**

**Please telephone the office if you  
require an appointment**

# Did you know that children in Reception, Year 1 and Year 2 are all entitled to free school meals?

You don't need to register your child for them to receive free school meals - just sign them up for their delicious lunches provided by Pabulum.

We recognise the crucial role we play in shaping young people's development with healthy school meals.

We are proud to prepare nutritionally balanced dishes that bring fresh, locally sourced ingredients to the table.

our menus have a rhythm that matches the seasons. They are designed to help children develop the confidence to try new dishes and understand the importance of eating a nutritionally balanced diet.

FRESH, LOCAL & HONEST FOOD

**pabulummm**  
HONESTLY GOOD FOOD

**Pabulum really cares about where our food comes from.**  
**Here are some of the choices that we make to reduce our impact on the environment and protect our planet for the future.**

*We buy seasonal  
British fruit & vegetables which  
support the British economy.*

We hold the Food for Life  
accreditation in our Primary Schools.  
This means we serve fresh healthy food,  
which is environmentally sustainable, ethically  
sourced and champions local food producers.

**Pabulum believes strongly in fresh food  
and that means using unprocessed, seasonal  
British produce that's locally sourced.**

**In our Primary schools, 94% of our dishes  
are prepared from fresh ingredients.**

**All our meat is sourced from Red  
Tractor UK British farms - this means  
it is traceable from farm to fork.**

**Our eggs are all  
from free range  
British farms.**
