

Dear Butterflies and Bumblebees,

Our spotlight this term is computing. Can you find things in the house that use technology? You could take photos, draw pictures or make a list of the things you find.

Week beginning 10th January 2022

Dear Parents,

There have been some busy Foundation Superheroes in Week 2! This week we have continued to learn the story 'Superworm', writing about Superworm and his friends, as well as us making our own superheroes. The children were very excited to receive not one but **two** messages from Sandgate Superhero this week. First, he asked us to produce a piece of writing about the various characters in 'Superworm.' He was so impressed with this writing that he then sent us another video, with a very special challenge...to make superhero capes! This was so much fun and we hope you liked seeing them when the children came home.

In Maths this week we have continued with our subtraction learning. We were really impressed with how well the children were able to apply what we have been learning to solving subtraction equations independently! The children have also been practising writing numbers correctly with a focus on ensuring that they are the correct way round.

PE will also be on a Friday this term with the children working on their ball skills. Please make sure your child comes to school in their PE kits and that it is suitable for being outside.

The children might have mentioned that we have not been mixing across the classes (inside or out). This is an additional measure we have taken due to an increase in cases. We continue to follow all other previous guidance.
