In Loving Memory of Suzie Uttley

Their Light Shines On

*Our loved ones leave behind a light
that will never dim or fade.*

*It's kept bright by the love we feel
and the memories we made...*

*It can warm us like a candle's glow
and help bring comfort too,
And no matter where you go you'll find
it's always close to you.*

Governors Corner: We, like all of you, were deeply shocked and saddened to hear of the untimely passing of Mrs Uttley. She was a much loved and very highly regarded member of the Sandgate family. She has taught the children of several governors, has worked with us with passion and dedication to ensure the best possible education was given to the children, and she will be sorely missed.

We send our deepest condolences to her husband and children, her family and friends, her colleagues, the parents and children who have been so deeply affected by this most painful of situations.

We would also like to thank you all for the way in which you have come together and supported each other during this very difficult time. Sandgate is more than a school, it is a family, and that has been shown this week through the outpouring of compassion and support everyone has provided for each other.

We would finally like to thank our staff. As ever, they have been amazing, working under incredibly difficult and distressing circumstances, gently guiding and comforting our children and families through this emotional week. And we know, of course, that they will continue to do so in the difficult days and weeks to come.

We wish you all a peaceful and restful half term.
