

Sandgate Primary School

Everyone deserves the taste of success

Issue 19

Friday 4th February 2022

The log houses have been a Sandgate Primary landmark for many years but, like any outdoor equipment, there comes a time when they are too old to be repaired, therefore the log houses are being removed from the playground.

But fear not! This has left us with an opportunity to reconsider how we use this space so, during half term, we will be having a regulation size football and netball court installed onto the playground; this is stage one of the development of the outside area.

Our aim is to provide the children with as many opportunities to immerse themselves in activities to promote health, well being and play as we can. There are already many plans in place (although I am not going to reveal them just yet) with the children's own ideas being used as inspiration - but I'd like more.

I have written to the children today asking them to think again how we can shape the outside environment; your input as families would be welcome too.

If you have time over the next couple of weeks to discuss this together at home, it would be most appreciated although I will warn you, as I have the children, that a swimming pool, skate park and equestrian centre are a little out of our budget at the moment.

I look forward to hearing from you.

Best Wishes
Matthew Green

DURING SCIENCE THIS WEEK, YEAR 3 HAVE BEEN MAKING FOSSILS, WE THINK THEY LOOK VERY REALISTIC!

Joseph and Joshua, two of our Sandgate Values Ambassadors, led the key stage two Gold Book assembly today and did a brilliant job! They are excellent role models and were very professional. The children loved their choice of music – The Macarena.
