Red Nose Day - Friday 18th March 2022

To support Red Nose Day, children are able to come to school wearing something red. This can be as simple as red socks or hairband, or as extravagant as red face paint or hair – the choice is yours. We ask for a voluntary contribution of £1 please.

Congratulations to Caspar, Danesh, Oakley, Isaac and Toby from Tigers who came 3rd in the Under 10's Kent Hockey Championships for the Folkestone Optimists last weekend! Well done to all!

Over the last couple of years there have been, and still are, some really difficult things happening across the world, and closer to home. Covid brought an unprecedented set of challenges to the school as teachers, as pupils and as families; straight on the back of the pandemic, Ofsted created a new set of stress and challenge for the staff and governors at the school; the untimely loss of Mrs Uttley was a shock which reverberated through the school, and of course, the current situation in Ukraine is devastating for all, particularly for those in the school family directly affected.

As governors, we recognise the strain this has on all of us, and we have committed to put wellbeing and support at the heart of what we do – the wellbeing of staff, of the children and also the families, is something we take very seriously. We discuss it frequently with the Senior Leadership Team, and it is a standalone item at the governor meetings, to ensure everything possible is being done to provide support, and access to support, wherever it is needed.
