

Sandgate Primary School

Everyone deserves the taste of success

Newsletter

Issue 30

Friday 13th May 2022

It has been a big week in year 6 with the children completing their Key Stage 2 statutory assessments. Each and every one of them faced this challenge with determination and positivity seeing it as a chance to celebrate all the hard work they have put in to their school life so far. Well done year 6, you have made us all extremely proud and are deserving of the special events taking place next term — not long until PGL!

In a previous newsletter I wrote of the possibility of Camp Night going ahead this year. It is with great delight that I can now confirm an agreed date of Friday 1st July. This is a special event which we have been unable to host for the past two years. There will be full details of how to purchase your wrist bands coming shortly. In the meantime, save the date and think about getting your equipment from the loft!

We have started to see much warmer weather over the past couple of weeks. The children do spend a lot of time outside during the school day — break times, lunchtimes, PE lessons, forest school and outdoor learning activities for example, therefore we must give consideration to protecting them. Please would you make sure children are bringing their water bottles with them every day, have a sun hat or cap (labelled with their name) and also apply sun screen before coming to school. All day sun block is best but we are also able to top this up during the school day providing your child brings in their own bottle.

Finally, it was a pleasure to welcome Mr Bubb into school today when he handed over a donation of 20 Chromebooks to the school. We are extremely grateful to him for arranging this generous gift through his workplace — these extra resources will be of great benefit to our children.

Best Wishes
Matthew Green
