Friday 10th June 2022

**On Tuesday we were lucky enough to have some shows and workshops with Mr Jeffrey doing some Magic Maths. Here are some of the photos.**

On Wednesday, Year Six had the pleasure of taking a historical tour of St Paul's Church in Sandgate as part of its 200 year anniversary. During the tour they were shown the ceiling frescos, the meaning of the stained glass windows and an exhibition of wedding dresses worn by brides who got married at the church dating back to 1968. The tour ended with an organ recital featuring the wedding march which proved hugely popular and a rousing rendition of happy birthday! The members of the church were delighted with the enthusiasm shown by the children and nearly ran out of time due to all the questions being asked. St Pauls is open for visitors on Saturday morning from 10-12 to see the exhibition and guided tours, along with a special family service on Sunday morning, 10.30am, led by Bishop Rose Hudson Wilkins, the Bishop of Dover and all are welcome.

Here are some photos from Year 5's Science hook. The Tigers and Geckos played tug-of-war to discuss which forces are being used.

Our Girls Football team played in a friendly tournament against other local primary schools this week.

After a professional football warm up, led by Gillingham FC Ladies manager Josh Oatham we played four games and won them all. Megan Maslak, Gillingham Ladies team player was on the side lines offering support and coaching tips. Both Josh and Megan were so impressed with our team's skill and teamwork that they are hoping to visit the team at school later this term.

**Please could we have any donations of any history-themed fancy-dress/costumes/books that may be sat at home; these will enrich our history lessons! Thank you!**
