

Dear Butterflies and Bumblebees,

For home learning this week, we would like the children to log onto Google Classroom and have a look at the shape activity. Can you find some 2D and 3D shapes around your house? You do not need to print this off.

Love Buzz and Bertie

Week beginning 20th June 2022

Dear Parents/Carers,

This week the children have been busy participating in activities for Sports Day. The children have done brilliantly and we are all enormously proud of them! As well as some great athleticism, we have seen some lovely sportsmanship and teamwork. Well done, Butterflies and Bumblebees.

In Literacy, we have been looking at ways to change the Bear Hunt story and even made some new storybooks! We have had some fantastic suggestions, including a dragon hunt, a unicorn hunt and an Easter egg hunt. The Bumblebees and Butterflies are also trying hard to remember a capital letter at the start of the sentence, finger spaces between their words and then a full stop at the end. They are doing a brilliant job here, perhaps they could show you at home?

Our Maths learning this week has seen the children recap their knowledge of 2D and 3D shapes and their properties. They have enjoyed going on a shape hunt around the school. See what shapes you can find at home!

For phonics, the children have been looking at sounds taught so far, and increasing their accuracy when reading and using these sounds within their writing.

We have plenty of junk modelling materials now so if we could just hold off on donations for a little while that would be great. Thank you for the ones you have sent in.

Just a reminder to ensure all items of clothing that come into school are clearly named, including hats.

Dates for your diaries:

- **Friday 1st July:** Camp Night
- **Tuesday 5th July:** Foundation trip to Wingham Wildlife Park
- **Thursday 7th July:** Book share
- **Wednesday 20th July:** Last day of term.

Please remember that if you have any queries or questions, you can write us a note in the home school diary and we will find a time to get back to you. A polite reminder that if your child is going home with a friend, you need to let us know beforehand either by writing in the home school diary or by contacting the school office.
