I hope you found the opportunity to join the children in class to meet their teacher useful it was very well attended and also offers the chance to get to know you too. Building relationships with families early on in the academic year is important to every teaching team so there will be other sessions during the year to maintain this. If you were not able to come in, the presentations given by teachers have been uploaded to the school website where you can find copies of our Medium Term Plans which detail what your child will be learning this term.

Children have now been sent information about which club they have attained a place at. In spite of a huge number of applications, we were able to offer all children either their first or second choice. Clubs will change termly to enable us to provide as wide a variety of experiences to the children that we are able.

Finally, we have to say a temporary farewell to Mrs Evans who is off on maternity leave. We wish her well - I will of course let you know once we get word of the happy news.

Today we hosted schools from various parts of Kent, who visited us for training on how we use Talk for Writing at Sandgate Primary. One component has a whole school learning walk after which they commended the children for their focus, learning behaviour and the enthusiasm they were showing. This isn't just the way they are when we have events, it is the attitude they show every day - well done to them all.

Best Wishes

Matthew Green

Harvest Celebrations for the children will take place in school on Friday 30th September.

Donations will be gratefully received. These may include:

- Tinned Food
- Packet Food
- Cakes
- Biscuits
- Jars (jams, pickles, sauces, etc)

These may be brought in on Thursday 29th September. We will then donate these to local charities and food banks

Thank you
