Home Learning

On Wednesday your child will bring home their home learning book which will tell you what the home learning is for that week. Please have it completed and returned to school by the following Tuesday.

The home learning task will be

- to read every night where possible.
- a maths fluency task.
- a phonics task.

Contacting Mrs. Mayatt

Please either make an appointment to discuss after school or make a request via the school office.

Phonics

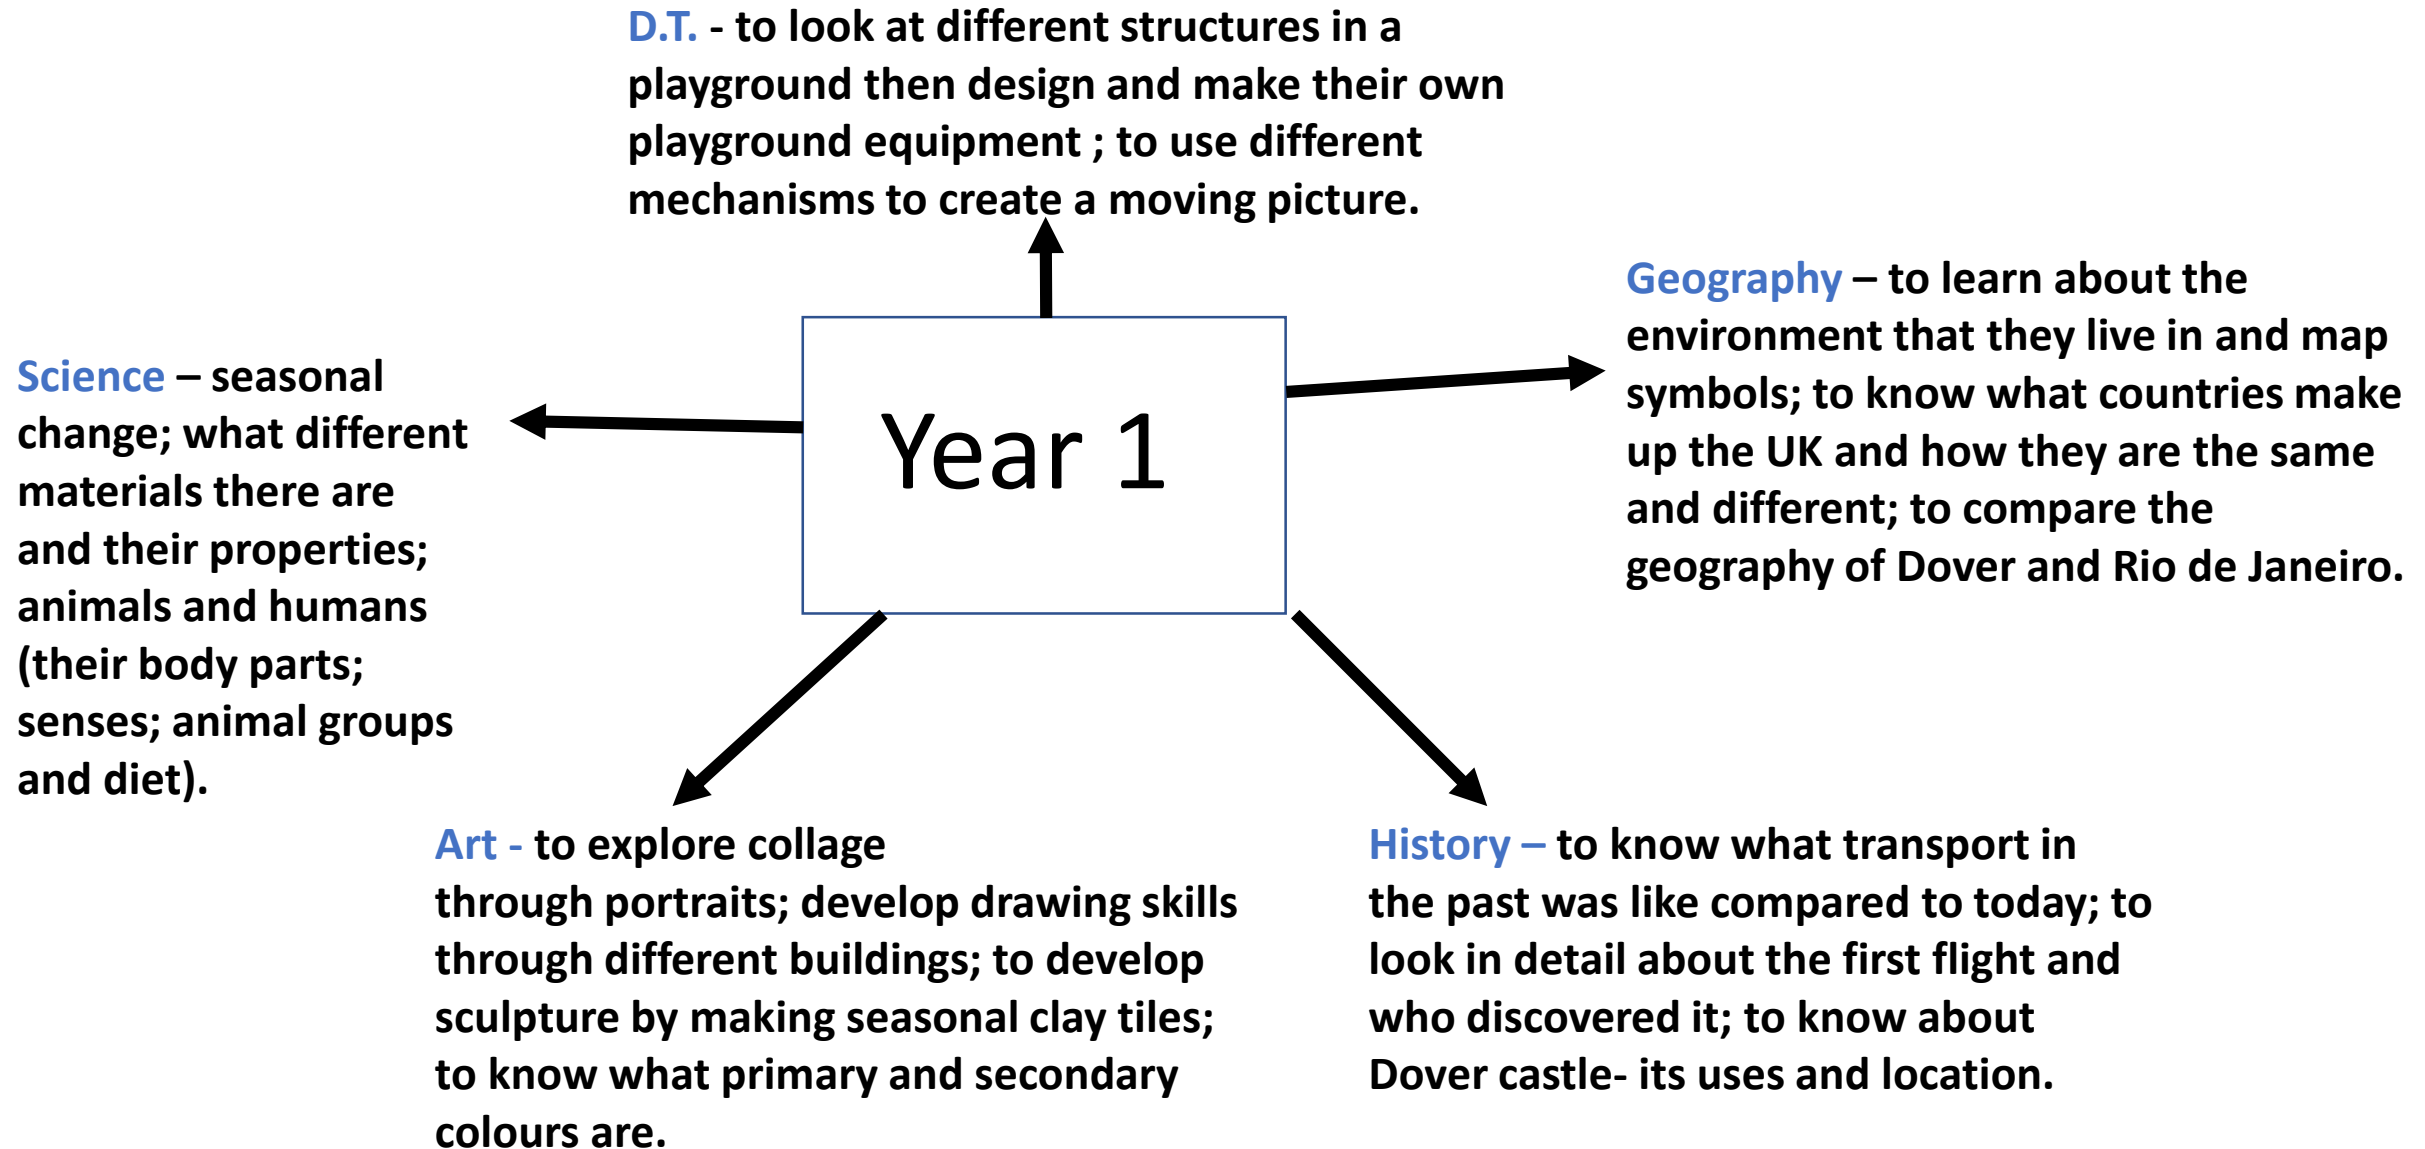

We use the **Animaphonics** programme in school. Each week one of your child's home learning tasks will be about the sound they have learnt the previous week in school.

Maths

We follow the National Curriculum descriptors for Maths in Year 1 using White Rose and the NCETM materials to support with planning. We aim to make the lessons as fun and relevant to real life as possible with plenty of opportunities for practice and problem solving.

Some of the things Year 1 children will be learning about are ...

Trips

This year we plan to have a trip to

- RAF Manston Transport Museum in Term 1.
- Dover Castle in Term 4.

Forest School

Term 5

Reading books

P.E., uniform and lost property.
