## Mrs Norman

## Ms Thake

- I have only been at Sandgate for a short while having started at the end of the summer term 2022.
- I love getting to know the children on a 1:1 basis and joining in with the class.

# Expectations:

We expect Year 6 to set an excellent example to the rest of the school and visitors. They are positive role models in their behaviour, work and attitude and we encourage them to set a good example to the younger children.

We have a variety of roles that the children will be applying for that will help them to demonstrate their understanding of what each of our Sandgate Values mean to us in school e.g. Values Ambassadors, Games Captains, librarians.

# Home Learning:

Home Learning will be sent out every Wednesday afternoon. It is due in for the following Tuesday.

We will send this out using Home Learning books and will no longer be using Google Classroom.

The learning will feature an expectation for 30 minutes of reading and then a SPaG and a maths activity. In Year 6, we use SpellingShed and Mathletics.

We encourage your children to continue to use TTRS to build their speed and fluency with their times tables.

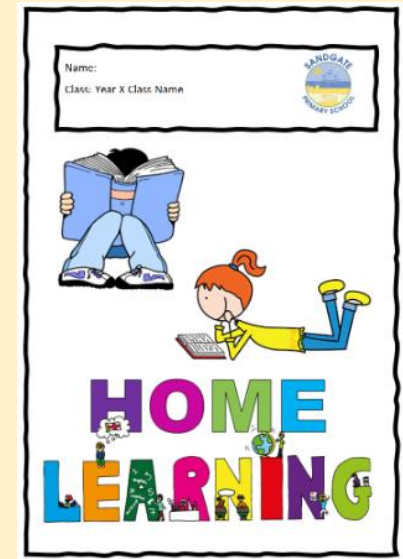

# Home Learning:

Home learning should not be a battle! We understand that you lead busy lives so if you find you are struggling to meet any deadlines, please feel free to get in touch so we can support you.

If your child has any problems, please ask them to come and chat with us about what they do not understand before the learning is due in, so we can help them.

We are trying to encourage the children to be independent and organised in preparation for secondary school.

# P.E.

Please can you help ensure your children are not wearing any jewellery to school on these days as this has to be removed for PE and has the potential to be lost. All children should be in their correct Sandgate P.E. kit and may wear this to school for each P.E. session.
