Everyone deserves the taste of success

Issue 6

Friday 14th October 2022

It was busy wasn't it! I can't remember a PJ Night that was so well attended. Thank you to all those families who came to support the event which not only helps promote a love of reading but also raises funds for the school to purchase new books.

In addition to PJ Night, we have given the children many other experiences this week including a visiting production of Oliver Twist. The children thoroughly enjoyed the show – I'd like to thank Mrs Richley for all the work she has put in to organising our Book Week.

This morning, Mr Mountain came in to visit our Key Stage One and Key Stage Two assemblies to deliver a sound healing session – there are further details and pictures of this within the newsletter. Thank you for providing this opportunity to the children, Mr Mountain. We are always looking for families who may be able to offer our children experiences which are new to them, so please do contact the school if you would like to discuss something which you may wish to be involved in.

You will see that we have moved our defibrillator to the outside of the school so that it can be used by the wider community in case of an emergency. It is registered with The Circuit which is the National Defibrillator Network meaning that the cabinet code to be given out by the emergency services if it is required. The code is also held by the school office should it be needed during the school day.

Best Wishes

Matthew Green

Sound Healing Assembly

The children and staff had the absolute pleasure of welcoming Giles Mountain into assembly today. Giles is a local sound therapist, artist and somatic enquiry coach. We learnt and listened to his sound healing instruments, such as Tibetan singing bowls, gongs, rain sticks, drums and even Giles's voice. The children and staff thoroughly enjoyed the experience, leaving the assembly relaxed and eager to learn even more! Thank you, Giles, for sharing this gentle and powerful experience with us.
