

Dear Ladybirds and Bumblebees,

For home learning this week we would like you to think about the rainbow words we have learnt so far – **the, to, I, is, me, was, my**. Can you write them in your home school diary? Can you write them on a post it note or use them to play bingo? Could you paint them or draw them with chalk outside? Get creative practising those rainbow words and we look forward to seeing what you come up with!

Love Buzz and Lola

Week beginning 14th November 2022

Dear Parents,

This week, we have continued writing key parts from our story of 'Nothing'. As it is Anti-Bullying week, we have been thinking about how we can be a kind friend and what we should do if we or someone we know is being bullied.

In Maths, we have been looking at comparing two amounts and thinking about who has more and who has fewer. We have used the following stem sentences to help us –

_____ has more than _____
_____ has fewer than _____

We have started rehearsing our Christmas play in the hall and the children have thoroughly enjoyed this! Please continue to practice any lines and the songs at home. We have also started attending assemblies in the big hall and this week we went to singing practice for the first time.

Thank you for continuing to read with your child and for helping them to learn their sounds. This week we learnt ee, ar, oa and or. These digraphs are mostly found in the middle of words and can sometimes be harder to spot.

Finally, we just wanted to say thank you to all those who attended parents consultations this week. We really enjoyed having the opportunity to discuss how your child has settled into school life and we hope you found it useful.

Dates for diary:

- **Christmas Fayre** - Friday 9th December
- **Foundation Christmas Play** -
Monday 12th December – 5.30pm
Tuesday 13th December – 2.15pm

Thank you for your continued support,

The Foundation Team
