

Dear Ladybirds and Bumblebees,

For your Home learning this weekend, we would like to see how you have celebrated the King's coronation. You could take photos or draw a picture, you could even write some sentences about what you did!

Love Lola and Buzz

Week beginning 1st May 2023

Dear Parents/Carers,

We hope you all had an enjoyable bank holiday weekend. The caterpillars have started to build their cocoons so there has been a lot of excitement in Foundation. The children have enjoyed the sunshine this week and have been making the most of our field space at playtimes.

In Literacy, we have begun our shared writing of our story and have written a short part of The Very Hungry Caterpillar each day. We have been focusing on our targets and thinking carefully about things such as finger spaces and full stops.

This week in Maths, we have been using our knowledge of the double dice frame to help us think about number bonds to 10. The children are easily able to recall that 5 and 5 makes 10, so the challenge has been to see which other two numbers total this amount. Why not ask your child if they can tell you any of the bonds?

On Friday, the children had a wonderful day celebrating the upcoming coronation and looked fantastic in their outfits! We started the day with a special whole school assembly and their wonderful singing made us all very proud. They took part in a variety of activities during the day, such as crown making and castle building and lots of fun was had!

You have hopefully received a text asking for any toilet or kitchen roll tubes to be sent in next week. Please could we also ask for small yoghurt pots if you have any. We are always very grateful for your donations!

Dates for your diaries:

- **Monday 8th May:** Bank Holiday
- **Friday 26th May:** End of Term 5
- **Monday 5th June:** Staff Development Day
- **Friday 9th June:** Class photos

Please remember that if you have any queries or questions write us a note in the home school diary and we will find a time to answer your question.

Enjoy the long weekend!

The Foundation Team
