Further sporting success this week for our Girls football team who are through to the final of the Girls' Herald Cup after a thrilling game against St. Eanswythe's yesterday. There were a lot of parent and pupil spectators which was a great help to the team; once the details of the final are confirmed, I hope that we are able to see even more support on the big occasion. The whole team demonstrated a huge amount of effort – (there were some sore muscles this morning) – and conducted themselves admirably throughout.

I mentioned in last week's newsletter that we were surveying our families to get an accurate picture of the after school provision needs within the school community. This survey has now closed, but it has indicated that more spaces need to be found therefore I will be undertaking a feasibility study to see if this is something that the school will be able to offer next academic year. Once a decision has been reached this will be communicated to you.

Our penultimate Full Governing Body meeting is scheduled for next Tuesday where will see two new faces joining the board. Gill Nicholls and Tooley Wanogho, who are now co-opted governors, bring with them their own set of skills and experiences that will be a positive addition to the valuable work that our governors do. As we have members beginning their time with us, we also have to say goodbye to Robin Johnson who has been a governor at Sandgate Primary for 15 years. In that time he has been involved in many areas of school life most notably as finance governor, where his eye for detail and professional knowledge played a significant part of managing the school finances.

Being a governor is a voluntary role and such is his commitment to the school that Robin has gone above and beyond what we would have expected of him; he will be greatly missed. I would like to thank Robin for everything he has done for generations of Sandgate Primary children.

Best Wishes

Matthew Green
