

Dear Ladybirds and Bumblebees,

Next week, we will be learning how to write a recount. A recount is where we think about something that has already happened.

Can you talk to a grown up at home and recount our trip to Wingham?

Love from Buzz and Lola

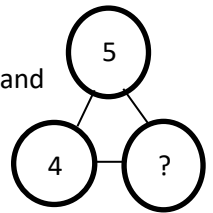

Week beginning 26th June 2023

Dear Parents/Carers,

This week, we have come to the end of our learning about The Three Billy Goats Gruff and traditional tales. On Thursday, the children completed their final Hot Task of the year and we were so proud of the effort and care that they demonstrated with their writing.

In Maths, we have been looking at how another 'part, whole' can help us to find number bonds to 5 and 10. For example, children were given the number 5 in the whole and then one part had 4 in it, they then had to find the other part that would make the bond to 5.

There has been so much excitement this week, as we have got closer and closer to our trip to Wingham. We are sure we will have a fantastic day and the children will be enthusiastic to tell you all about it when we return!

On Wednesday next week, the nursing team will return to complete the reception height, weight, vision and hearing checks for the children that they did not manage to fit in last week.

Finally, as some of you may already know, both Mrs Brown and Mrs Windsor are expecting a baby towards the end of the year. This happy news will be shared with the children today.
