

Dear Ladybirds and Bumblebees,

As you have now found out who your teacher will be next year, we thought it would be a great idea for you to make them a poster telling them all about you. Why not include a picture of yourself as well!

Love Buzz and Lola.

Week beginning 3<sup>rd</sup> July 2023

Dear Parents/Carers,

This week we have been very busy! The Bumblebees and Butterflies had an amazing time at Wingham Wildlife Park. They did us proud and had impeccable manners. We were very impressed by children's animal knowledge, especially when it came to the dinosaurs and tigers! On the back of this newsletter, you will find some pictures from the day. In literacy, we have been writing our recount of the trip to Wingham. The children have been making these personal to them. They have loved writing all about their favourite animals! In Maths, we have recapped more or fewer than by looking at comparing sets of amounts.

We are sure the children have been excited to come home and tell you which class they are going to be in next year. We will continue our transition process during the last couple of weeks of term, with the children having the opportunity to enjoy lots of time in their new classrooms and with their new teaching team.

We appreciate that it is a busy time of year for many, but we do ask that you continue to read with your children as often as possible, as well as helping them to practise their phonics and rainbow words. This really does make such a positive difference to the children, and will put them in good stead for Year 1.

Thank you all very much for the donations that have come in for our Summer Fete next week.

#### **Dates for your diaries:**
