Hythe Town FC was a hub of nervous anticipation on Monday with our girls and mixed football teams both competing in a Herald Cup final. The matches were very close, tense but hugely enjoyable with every player giving their all for the team. I am proud to announce that the girls' team won their final 5-3 whilst the mixed team scored in the final minutes of their game to draw 1-1. There is no extra time or penalties in the Herald Cup (the title is shared) meaning that both teams are Herald Cup 2023 winners. Congratulations to every player and thank you to everyone who came to support.

A further thank you to everyone who came to Camp Night which again proved to be a big hit. I would also like to extend my gratitude for how tidy the site was left the following day – I barely had to pick up any litter and only found two tent pegs which is a record! We made a profit of £2279 which will go towards curriculum resources.

Year six have completed their two leavers performances to packed audiences; the shows were incredible. It was obvious how much work had gone into the productions but most memorable will be just how much fun the children were having themselves.

I hope to see many of you at our summer fair after school today (fingers are crossed for fair weather) but if not, enjoy the final weekend of this academic year.

Best Wishes

Matthew Green
