- Reviewing and approving the written statement of behaviour principles (appendix 1)
- Reviewing this behaviour policy in conjunction with the headteacher
- Monitoring the policy's effectiveness
- Holding the headteacher to account for its implementation

5.2 The headteacher

The headteacher is responsible for:

- Reviewing this policy in conjunction with the governing body.
- Giving due consideration to the school's statement of behaviour principles (appendix 1)
- Approving this policy
- Ensuring that the school environment encourages positive behaviour
- Ensuring that staff deal effectively with poor behaviour
- Monitoring that the policy is implemented by staff consistently with all groups of pupils
- Ensuring that all staff understand the behavioural expectations and the importance of maintaining them
- Providing new staff with a clear induction into the school's behavioural culture to ensure they understand its rules and routines, and how best to support all pupils to participate fully
- Offering appropriate training in behaviour management, and the impact of special educational needs and disabilities (SEND) and mental health needs on behaviour, to any staff who require it, so they can fulfil their duties set out in this policy
- Ensuring this policy works alongside the safeguarding policy to offer pupils both sanctions and support when necessary

- Ensuring that the data from the behaviour log is reviewed regularly, to make sure that no groups of pupils are being disproportionately impacted by this policy (see section 13.1)

5.3 Staff

Staff are responsible for:

- Creating a calm and safe environment for pupils
- Establishing and maintaining clear boundaries of acceptable pupil behaviour
- Implementing the behaviour policy consistently
- Communicating the school's expectations, routines, values and standards through teaching behaviour and in every interaction with pupils
- Modelling expected behaviour and positive relationships
- Providing a personalised approach to the specific behavioural needs of particular pupils
- Considering the impact of their own behaviour on the school culture and how they can uphold school rules and expectations
- Recording behaviour incidents promptly (see appendix 3 for a behaviour log)
- Challenging pupils to meet the school's expectations

The senior leadership team (SLT) will support staff in responding to behaviour incidents.

5.4 Parents and carers

Parents and carers, where possible, should:

- Get to know the school's behaviour policy and reinforce it at home where appropriate
- Support their child in adhering to the school's behaviour policy
- Inform the school of any changes in circumstances that may affect their child's behaviour
- Discuss any behavioural concerns with the class teacher promptly
- Take part in any pastoral work following misbehaviour (for example, attending reviews of specific behaviour interventions)
- Raise any concerns about the management of behaviour with the school directly, while continuing to work in partnership with the school
- Take part in the life of the school and its culture

The school will endeavour to build a positive relationship with parents and carers by keeping them informed about developments in their child's behaviour and the school's policy, and working in collaboration with them to tackle behavioural issues.

5.5 Pupils

Pupils will be made aware of the following during their induction into the behaviour culture:

- The expected standard of behaviour they should be displaying at school
- That they have a duty to follow the behaviour policy
- The school's key rules and routines
- The rewards they can earn for meeting the behaviour standards, and the consequences they will face if they don't meet the standards
- The pastoral support that is available to them to help them meet the behaviour standards

Pupils will be supported to meet the behaviour standards and will be provided with repeated induction sessions wherever appropriate.

Pupils will be supported to develop an understanding of the school's behaviour policy and wider culture.

Pupils will be asked to give feedback on their experience of the behaviour culture to support the evaluation, improvement and implementation of the behaviour policy.

Extra support and induction will be provided for pupils who are mid-phase arrivals.

6. School behaviour curriculum

To support the promotion of standards of behaviour the school values are: compassion, determination, equality, respect, courtesy and friendship. These values will, at times, be addressed directly through lessons and assemblies, but they will permeate the whole curriculum. They are the basis for the social, intellectual, emotional, spiritual and moral development of the child. The school encourages pupils to consider these values, thereby developing knowledge, skills and attitudes that enable them to develop as reflective learners and grow to be stable, educated and civilised adults.

As well as the school values, the school rules are:

- *Everybody deserves respect.*
- *Everybody deserves to feel safe.*
- *Everybody has the right to learn*

At Sandgate Primary school our pupils are expected to:

- Behave in an orderly and self-controlled way
- Show respect to members of staff and each other
- In class, make it possible for all pupils to learn
- Move quietly around the school
- Treat the school buildings and school property with respect
- Wear the correct uniform at all times
- Accept sanctions when given
- Refrain from behaving in a way that brings the school into disrepute, including when outside school or online

Where appropriate and reasonable, adjustments may be made to routines within the curriculum to ensure all pupils can meet behavioural expectations in the curriculum.

6.1 Mobile phones

- If pupils bring mobile phones to school, the phones are handed to the class teacher in the morning. These are kept in a cupboard and are not accessible during the day. Phones must be switched off during the school day and until the child has left the school site.
- Should parents need to contact pupils this should be done following the usual school procedures which is by telephoning or emailing the school office.
- If a pupil is found to use or access their phone during the school day, the phone will be removed from the child and handed to a member of the Senior Leadership Team. The mobile will be stored safely and parents contacted.
- If a pupil is found taking photographs or video footage with a mobile phone this will be regarded as a serious offence and disciplinary action will be taken according to the School's Behaviour Policy. Parents will be contacted immediately by a Senior Leader. This will also be reported to the DSL – Lianne Jones

- If images of other pupils or teachers have been taken, the phone will not be returned to the pupil until the images have been removed by the pupil in the presence of a teacher. Parents will be contacted immediately by a Senior Leader. This will also be reported to the DSL – Lianne Jones
- Parents are advised that Sandgate Primary School accepts no liability for the loss or damage to mobile phones which are brought into the school or school grounds. This policy supports the school's Health and Safety, Anti-bullying, Child Protection and Internet Acceptable Use policies. It will be monitored, reviewed and amended as required.
- This child friendly mobile phone policy will be shared with children at the beginning of the academic year and then at regular points throughout the year

7. Responding to behaviour

7.1 Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the school. They will:

1. Meet and greet children positively in the morning, after break and lunch.
2. Refer to the school rules of :
 - *Everybody deserves respect.*
 - *Everybody deserves to feel safe.*
 - *Everybody has the right to learn*
3. Model positive relationships and behaviours
4. Use visuals to support behaviour – visual timetable/self regulation boards
5. Be calm and give 'take up time' when correcting poor choices. More to come on this.
6. Follow up every time, retain ownership and engage in reflective dialogue with children.
7. Never ignore or walk past children making poor choice.
8. Use the 5:1 ratio of positive affirmations to negative.

7.2 Safeguarding

The school recognises that changes in behaviour may be an indicator that a pupil is in need of help or protection.

We will consider whether a pupil's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm.

Where this may be the case, we will follow our child protection and safeguarding policy, and consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

Please refer to our child protection and safeguarding policy for more information

7.3 Responding to good behaviour

When a pupil's behaviour meets or goes above and beyond the expected behaviour standard, staff will recognise it with positive recognition and reward. This provides an opportunity for all staff to reinforce the school's culture and ethos.

Positive reinforcements and rewards will be applied clearly and fairly to reinforce the routines, expectations and norms of the school's behaviour culture.

Positive behaviour will be rewarded with:

- praise
- stickers
- showing work to the senior leadership team and head teacher
- entry into the Gold Book (which is publicised weekly)
- Marvellous Me badges and thumbs up
- Notes/messages sent home to parents
- Termly celebration events for the class with the most Marvellous Me badges including a day to wear own clothes to school, hot chocolate and biscuits in class, trip to the local park, an afternoon in forest school, a class disco or a short film session.
- Afternoon tea with the Senior Leadership team for a child from each class who is awarded the most badges.

7.4 Responding to misbehaviour

When a pupil's behaviour falls below the standard that can reasonably be expected of them, staff will respond in order to restore a calm and safe learning environment, and to prevent recurrence of misbehaviour.

Staff will endeavour to create a predictable environment by always challenging behaviour that falls short of the standards, and by responding in a consistent, fair and proportionate manner, so pupils know with certainty that misbehaviour will always be addressed.

De-escalation techniques, including the use of pre-arranged scripts and phrases, will be used to help prevent further behaviour issues arising.

All pupils will be treated equitably under the policy, with any factors that contributed to the behavioural incident identified and taken into account.

When giving behaviour sanctions, staff will also consider what support could be offered to a pupil to help them to meet behaviour standards in the future.

- A verbal reprimand and reminder of the expectations of behaviour
- Moving seats
- Sending the pupil out of the class (known as time out) to a parallel class
- Expecting work to be completed at break or lunchtime for no longer than five minutes
- Reflection at break or lunchtime
- Loss of privileges – for instance, the loss of a prized responsibility
- Referring the pupil to a senior member of staff
- Letter or phone call home to parents/carers
- Agreeing a behaviour contract and tracker (an individual behaviour plan)
- Removal of the pupil from the classroom and working in the School Leadership office
- Suspension
- Permanent exclusion, in the most serious of circumstances

Personal circumstances of the pupil will be taken into account when choosing sanctions, and decisions will be made on a case-by-case basis, but with regard to the impact on perceived fairness.

For the vast majority of our children a gentle reminder is all that is needed. Managing poor behaviour choices should always be done with care and consideration, taking individual needs into account where necessary.

Adults praise the behaviour they want to see and always give **'first attention to the best conduct'**. All children must be given **'take up time'** in between steps.

The following steps will be used when managing misbehaviour:

Actions	Script
<p style="text-align: center;">REMINDER</p> <p>Notice and verbalise the behaviour. Thank the child for listening. This is a slight 'nudge' in the right direction.</p> <ul style="list-style-type: none"> • Praising children who are engaged with their learning • Checking for understanding and where required, repeating instructions and explanations so children have clarity of expectations • Use of eye contact, gestures, or other non-verbal communication to re direct a child or refresh their engagement • A discreet 'drive by' a child in order to have a quick refresh or refocus of engagement • Giving a clear double take within the lesson to indicate to a child that their conduct has been identified • A pronounced pause within instruction to redirect attention • Circulation round the room and using proximity to a child to redirect or refresh engagement • Ensuring clear instructions • Giving children take up time or thinking time so they can respond in a reflective manner • Using a child's name to refocus them on learning 	<p>I noticed you chose to..(shout out). This is a reminder we need to be Respectful. You now have chance to make a better choice. Thank you for listening. Reminder – I noticed you are running down the corridor. You are breaking our rule of being safe. Please walk. Thank you for listening.</p>
<p style="text-align: center;">WARNING</p> <p>A clear verbal warning will be delivered privately (wherever possible), making the child aware of their behaviour and clearly outlining the consequences if they continue. Children will be reminded of their previous good conduct to prove that they can make good choices. The child is given take up time and the staff member will walk away. Any comments made by the child will be ignored until the restorative conversation where they will be addressed. The staff member will resist endless discussions around behaviour and will spend their energy teaching. If appropriate, 'Stay behind for 2 minutes after class' can be added to this step. This is not open to negotiation and cannot be removed, earned back or reduced.</p>	<p>Warning –I noticed you chose to get out of your seat again. This is the second time I have spoken to you. I would like to speak to you for two minutes at the end of the lesson. If you choose to shout out again you will leave me no choice but to ask you to move seats to work next to me. Everybody has the right to learn and this is one of our rules. Do you remember when you stayed in your seat for all of Maths this morning. That is the behaviour I expect from you. Think carefully. I know you can make good choices. Thank you for listening.</p> <p>Warning - I have noticed you are not ready to do your work. One of our school rules is that everyone has the right to learn. I would like to see you at end of the lesson. Do you remember that yesterday you started your work straight away and got it finished? That is what I need to see today. Thank you for listening.'</p> <p>WARNING – Child's Name, you're calling out for the second time. We need one voice in class. We will discuss this after the lesson. Make the last ten minutes of this lesson a success by not calling out.'</p>
<p style="text-align: center;">TIME OUT</p> <p>If the behaviour continues the adult may decide that 'time out' away from the distraction is necessary. This may be within their own classroom or in the other classroom for that year group. During 'time out' the child will be expected to continue their learning and once this is complete, hopefully they will show that they are ready to go back to the 'Reminder' stage. A phone call</p>	<p>I noticed you chose to (noticed behaviour) You need to.....(Go to another table/have time out/finish your work at break etc) Playground: You need to(Stand by other staff member/Me /Sit on the picnic bench/Stand by the wall etc) I will speak to you in two minutes. Example - 'I have noticed you chose to use rude words. You are breaking the school rule of being respectful. You have now</p>

<p>home will be made by the class teacher when a child reaches 'Time Out.'. The phone call will inform parents of the rule or rules which have not been followed. This action will be recorded on CPOMS. The child will be informed of this at the end of the session, after time has been given to deescalate the situation</p> <p>Teacher Consequences – move seats, parallel class, miss part of playtime (never all maximum 5 minutes), miss part of lunchtime (never all maximum 5 minutes)</p>	<p>chosen to go and sit in the quiet area. I will come and speak to you in two minutes. Thank you for listening.'</p>
<p style="text-align: center;">RESTORATION</p> <p>What happened? (Neutral, dispassionate language.) What were you feeling at the time? What have you felt since? How did this make people feel? Who has been affected? What should we do to put things right? How can we do things differently?</p>	<p>When the child returns after their sanction, and are regulated ask:</p> <p>What happened? (Neutral, dispassionate language.) What were you feeling at the time? What have you felt since? How did this make people feel? Who has been affected? What should we do to put things right? How can we do things differently? You made a poor choice that resulted in you having to move to another classroom. I will phone home and inform your parents. Do you remember when (description of previously displayed positive behaviour by pupil). That is the behaviour I would like to see. Thank you</p>
<p>FINAL STAGE - If after restoration, the child continues to show the initial behaviour, support of SLT will be sought. This is once the cycle of Reminder – Warning – Time Out and Restoration have been used.</p>	
<p>The following behaviours will instantly referred to SLT:</p> <p>Fighting/Physical Aggression – (intent) kicking, hitting, pushing, shoving, biting (with intent to do harm) Abusive Language – Racial taunting/child on child abuse Leaving School Grounds without permission Threat or intimidation/bullying – verbal threats of aggression against another person Theft</p>	<p>SLT Sanctions: Sanctions could include:</p> <ul style="list-style-type: none"> ▪ Informing parents of behaviour incident ▪ Loss of playtime or lunchtime for a reflective discussion around behaviours ▪ Loss of playtime or lunchtime to ensure behaviour is not repeated to ensure the safety of other children and adults. ▪ Working in senior leadership office (referred to as an internal suspension) ▪ Implementation of a behaviour plan to include a tracking behaviour sheet (red, amber, green). Report to SLT daily ▪ Suspension

7.5 Reasonable force

Reasonable force covers a range of interventions that involve physical contact with pupils. All members of staff have a duty to use reasonable force, in the following circumstances, to prevent a pupil from:

- Causing disorder
- Hurting themselves or others
- Damaging property
- Committing an offence

Incidents of reasonable force must:

- Always be used as a last resort
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents/carers

When considering using reasonable force, staff should, in considering the risks, carefully recognise any specific vulnerabilities of the pupil, including SEND, mental health needs or medical conditions.

7.6 Searching and confiscation

Searching, screening and confiscation is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

Confiscation

Any prohibited items (listed in section 3) found in a pupil's possession as a result of a search will be confiscated. These items will not be returned to the pupil.

We will also confiscate any item that is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents/carers, if appropriate.

Searching a pupil

Searches will only be carried out by a member of staff who has been authorised to do so by the headteacher, or by the headteacher themselves.

Subject to the exception below, the authorised member of staff carrying out the search will be of the same sex as the pupil, and there will be another member of staff present as a witness to the search.

An authorised member of staff of a different sex to the pupil can carry out a search without another member of staff as a witness if:

- The authorised member of staff carrying out the search reasonably believes there is risk that serious harm will be caused to a person if the search is not carried out as a matter of urgency; **and**
- In the time available, it is not reasonably practicable for the search to be carried out by a member of staff who is the same sex as the pupil; **or**
- It is not reasonably practicable for the search to be carried out in the presence of another member of staff

When an authorised member of staff conducts a search without a witness, they should immediately report this to another member of staff, and make sure a written record of the search is kept.

If the authorised member of staff considers a search to be necessary, but not required urgently, they will seek the advice of the headteacher, designated safeguarding lead (or deputy) or pastoral member of staff who may have more information about the pupil. During this time the pupil will be supervised and kept away from other pupils.

A search can be carried out if the authorised member of staff has reasonable grounds for suspecting that the pupil is in possession of a prohibited item or any item identified in the school rules for which a search can be made, or if the pupil has agreed.

An appropriate location for the search will be found. Where possible, this will be away from other pupils. The search will only take place on the school premises or where the member of staff has lawful control or charge of the pupil, for example on a school trip.

Before carrying out a search the authorised member of staff will:

- Assess whether there is an urgent need for a search
- Assess whether not doing the search would put other pupils or staff at risk
- Consider whether the search would pose a safeguarding risk to the pupil
- Explain to the pupil why they are being searched
- Explain to the pupil what a search entails – e.g. "I will ask you to turn out your pockets and remove your scarf"
- Explain how and where the search will be carried out
- Give the pupil the opportunity to ask questions
- Seek the pupil's co-operation

If the pupil refuses to agree to a search, the member of staff can give an appropriate behaviour sanction.

If they still refuse to co-operate, the member of staff will contact the Headteacher or Deputy Headteacher to try to determine why the pupil is refusing to comply.

The authorised member of staff will then decide whether to use reasonable force to search the pupil. This decision will be made on a case-by-case basis, taking into consideration whether conducting the search will prevent the pupil harming themselves or others, damaging property or causing disorder.

The authorised member of staff can use reasonable force to search for any prohibited items identified in section 3, but not to search for items that are only identified in the school rules.

The authorised member of staff may use a metal detector to assist with the search.

An authorised member of staff may search a pupil's outer clothing, pockets, possessions, desk or locker.

'Outer clothing' includes:

- Any item of clothing that isn't worn wholly next to the skin or immediately over underwear (e.g. a jumper or jacket being worn over a t-shirt)
- Hats, scarves, gloves, shoes or boots

Searching pupils' possessions

Possessions means any items that the pupil has or appears to have control of, including:

- Desks
- Lockers
- Bags

A pupil's possessions can be searched for any item if the pupil agrees to the search. If the pupil does not agree to the search, staff can still carry out a search for prohibited items (listed in section 3) and items identified in the school rules.

An authorised member of staff can search a pupil's possessions when the pupil and another member of staff are present.

If there is a serious risk of harm if the search is not conducted immediately, or it is not reasonably practicable to summon another member of staff, the search can be carried out by a single authorised member of staff.

Informing the designated safeguarding lead (DSL)

The staff member who carried out the search should inform the DSL without delay:

- Of any incidents where the member of staff had reasonable grounds to suspect a pupil was in possession of a prohibited item as listed in section 3
- If they believe that a search has revealed a safeguarding risk

All searches for prohibited items (listed in section 3), including incidents where no items were found, will be recorded in the school's safeguarding system.

Informing parents/carers

Parents/carers will always be informed of any search for a prohibited item (listed in section 3). A member of staff will tell the parents/carers as soon as is reasonably practicable:

- What happened
- What was found, if anything
- What has been confiscated, if anything
- What action the school has taken, including any sanctions that have been applied to their child

Support after a search

Irrespective of whether any items are found as the result of any search, the school will consider whether the pupil may be suffering or likely to suffer harm and whether any specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search).

If this is the case, staff will follow the school's safeguarding policy and speak to the designated safeguarding lead (DSL). The DSL will consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

Strip searches

The authorised member of staff's power to search outlined above does not enable them to conduct a strip search (removing more than the outer clothing) and strip searches on school premises shall only be carried out by police officers in accordance with the Police and Criminal Evidence Act 1984 (PACE) Code C.

Before calling the police into school, staff will assess and balance the risk of a potential strip search on the pupil's mental and physical wellbeing and the risk of not recovering the suspected item.

Staff will consider whether introducing the potential for a strip search through police involvement is absolutely necessary, and will always ensure that other appropriate, less invasive approaches have been exhausted first.

Once the police are on school premises, the decision on whether to conduct a strip search lies solely with them. The school will advocate for the safety and wellbeing of the pupil(s) involved. Staff retain a duty of care to the pupil involved and should advocate for pupil wellbeing at all times.

Communication and record-keeping

Where reasonably possible and unless there is an immediate risk of harm, before the strip search takes place, staff will contact at least 1 of the pupil's parents/carers to inform them that the police are going to strip search the pupil, and ask them whether they would like to come into school to act as the pupil's appropriate adult. If the school can't get in touch with the parents/carers, or they aren't able to come into school to act as the appropriate adult, a member of staff can act as the appropriate adult (see below for information about the role of the appropriate adult).

The pupil's parents/carers will always be informed by a staff member once a strip search has taken place. The school will keep records of strip searches that have been conducted on school premises, and monitor them for any trends that emerge.

Who will be present

For any strip search that involves exposure of intimate body parts, there will be at least 2 people present other than the pupil, except in urgent cases where there is risk of serious harm to the pupil or others.

One of these must be the appropriate adult, except if:

- The pupil explicitly states in the presence of an appropriate adult that they do not want an appropriate adult to be present during the search, **and**
- The appropriate adult agrees

If this is the case, a record will be made of the pupil's decision and it will be signed by the appropriate adult.

No more than 2 people other than the pupil and appropriate adult will be present, except in the most exceptional circumstances.

The appropriate adult will:

- Act to safeguard the rights, entitlements and welfare of the pupil
- Not be a police officer or otherwise associated with the police
- Not be the headteacher
- Be of the same sex as the pupil, unless the pupil specifically requests an adult who is not of the same sex

Except for an appropriate adult of a different sex if the pupil specifically requests it, no one of a different sex will be permitted to be present and the search will not be carried out anywhere where the pupil could be seen by anyone else.

Care after a strip search

After any strip search, the pupil will be given appropriate support, irrespective of whether any suspected item is found. The pupil will also be given the opportunity to express their views about the strip search and the events surrounding it.

As with other searches, the school will consider whether the pupil may be suffering or likely to suffer harm and whether any further specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search).

Staff will follow the school's safeguarding policy and speak to the designated safeguarding lead (DSL). The DSL will consider whether, in addition to pastoral support, an early help intervention or a referral to children's social care is appropriate.

Any pupil(s) who have been strip searched more than once and/or groups of pupils who may be more likely to be subject to strip searching will be given particular consideration, and staff will consider any preventative approaches that can be taken.

7.7 Off-site misbehaviour

Sanctions may be applied where a pupil has misbehaved off-site when representing the school. This means misbehaviour when the pupil is:

- Taking part in any school-organised or school-related activity (e.g. school trips)
- Travelling to or from school
- Wearing school uniform
- In any other way identifiable as a pupil of our school

Sanctions may also be applied where a pupil has misbehaved off-site, at any time, whether or not the conditions above apply, if the misbehaviour:

Could have repercussions for the orderly running of the school

Poses a threat to another pupil

Could adversely affect the reputation of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member (e.g. on a school-organised trip).

7.8 Online misbehaviour

The school can issue behaviour sanctions to pupils for online misbehaviour when:

- It poses a threat or causes harm to another pupil
- It could have repercussions for the orderly running of the school
- It adversely affects the reputation of the school
- The pupil is identifiable as a member of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member.

7.9 Suspected criminal behaviour

If a pupil is suspected of criminal behaviour, the school will make an initial assessment of whether to report the incident to the police.

When establishing the facts, the school will endeavour to preserve any relevant evidence to hand over to the police.

If a decision is made to report the matter to the police, the headteacher or deputy headteacher will make the report.

The school will not interfere with any police action taken. However, the school may continue to follow its own investigation procedure and enforce sanctions, as long as it does not conflict with police action.

If a report to the police is made, the designated safeguarding lead (DSL) will make a tandem report to children's social care, if appropriate.

7.10 Zero-tolerance approach to sexual harassment and sexual violence

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

- Responding to a report
- Carrying out risk assessments, where appropriate, to help determine whether to:
 - Manage the incident internally
 - Refer to early help
 - Refer to children's social care

- Report to the police

Please refer to our child protection and safeguarding policy for more information.

7.11 Malicious allegations

Where a pupil makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy.

Where a pupil makes an allegation of sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy.

In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the local authority designated officer (LADO), where relevant) will consider whether the pupil who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.

The school will also consider the pastoral needs of staff and pupils accused of misconduct.

Please refer to our child protection and safeguarding policy for more information on responding to allegations of abuse against staff or other pupils.

8. Serious sanctions

8.1 Detention

Pupils can be issued with detentions during break or lunchtime at school. Teachers can keep children in for a maximum of 5 minutes. SLT will determine if a reflection (detention) session is needed.

The school will decide whether it is necessary to inform the pupil's parents/carers.

When imposing a detention, the school will consider whether doing so would:

- Compromise the pupil's safety
- Conflict with a medical appointment
- Prevent the pupil from getting home safely
- Interrupt the pupil's caring responsibilities

8.2 Removal from classrooms – Time Out

In response to serious or persistent breaches of this policy, the school may remove the pupil from the classroom for a limited time.

Pupils who have been removed will continue to receive education under the supervision of a member of staff. This education will be meaningful, but it may differ from the mainstream curriculum.

Removal is a serious sanction and will only be used in response to serious misbehaviour. Staff will only remove pupils from the classroom once other behavioural strategies have been attempted, unless the behaviour is so extreme as to warrant immediate removal.

Removal can be used to:

- Restore order if the pupil is being unreasonably disruptive
- Maintain the safety of all pupils
- Allow the disruptive pupil to continue their learning in a managed environment

- Allow the disruptive pupil to regain calm in a safe space

Pupils who have been removed from the classroom are supervised by the Senior Leadership Team and will be removed for a period of time depending what the behaviour incident was

Pupils will not be removed from classrooms for prolonged periods of time without the explicit agreement of the headteacher.

Pupils should be reintegrated into the classroom as soon as it is appropriate and safe to do so. The school will consider what support is needed to help a pupil successfully reintegrate into the classroom and meet the expected standards of behaviour.

Parents/carers will be informed on the same day that their child is removed from the classroom.

The school will consider an alternative approach to behaviour management for pupils who are frequently removed from class, such as:

- Meetings with external agencies such as STLS
- Use of teaching assistants (skilled 1-1s)
- Short-term behaviour report cards – tracking grids for daily reporting the school’s leadership team
- Long-term behaviour plans
- Multi-agency assessment

Staff will record all incidents of removal from the classroom in the behaviour log, along with details of the incident that led to the removal, and any protected characteristics of the pupil.

8.3 Suspension and permanent exclusion

The school can use suspension and permanent exclusion in response to serious incidents or in response to persistent poor behaviour which has not improved following in-school sanctions and interventions.

The decision to suspend or exclude will be made by the headteacher and only as a last resort.

9. Responding to misbehaviour from pupils with SEND

9.1 Recognising the impact of SEND on behaviour

The school recognises that pupils’ behaviour may be impacted by a special educational need or disability (SEND).

When incidents of misbehaviour arise, we will consider them in relation to a pupil’s SEND, although we recognise that not every incident of misbehaviour will be connected to their SEND. Decisions on whether a pupil’s SEND had an impact on an incident of misbehaviour will be made on a case-by-case basis.

When dealing with misbehaviour from pupils with SEND, especially where their SEND affects their behaviour, the school will take its legal duties into account when making decisions about enforcing the behaviour policy. The legal duties include:

- › Taking reasonable steps to avoid any substantial disadvantage to a disabled pupil being caused by the school’s policies or practices ([Equality Act 2010](#))
- › Using our best endeavours to meet the needs of pupils with SEND ([Children and Families Act 2014](#))
- › If a pupil has an education, health and care (EHC) plan, the provisions set out in that plan must be secured and the school must co-operate with the local authority and other bodies

As part of meeting these duties, the school will anticipate, as far as possible, all likely triggers of misbehaviour, and put in place support to prevent these from occurring.

Any preventative measures will take into account the specific circumstances and requirements of the pupil concerned.

- Short, planned movement breaks for a pupil with SEND who finds it difficult to sit still for long
- Adjusting seating plans to allow a pupil with visual or hearing impairment to sit in sight of the teacher
- Adjusting uniform requirements for a pupil with sensory issues or who has severe eczema
- Training for staff in understanding conditions such as autism
- Use of separation spaces (sensory zones or nurture rooms) where pupils can regulate their emotions during a moment of sensory overload

9.2 Adapting sanctions for pupils with SEND

- When considering a behavioural sanction for a pupil with SEND, the school will consider whether:
- The pupil was unable to understand the rule or instruction
- The pupil was unable to act differently at the time as a result of their SEND
- The pupil was likely to behave aggressively due to their particular SEND

If the answer to any of these is 'yes', it may be unlawful for the school to sanction the pupil for the behaviour.

The school will then assess whether it is appropriate to use a sanction and if so, whether any reasonable adjustments need to be made to the sanction.

9.3 Considering whether a pupil displaying challenging behaviour may have unidentified SEND

The school's special educational needs co-ordinator (SENCO) may evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents/carers to create the plan and review it on a regular basis.

9.4 Pupils with an education, health and care (EHC) plan

The provisions set out in the EHC plan must be secured and the school will co-operate with the local authority and other bodies.

If the school has a concern about the behaviour of a pupil with an EHC plan, it will make contact with the local authority to discuss the matter. If appropriate, the school may request an emergency review of the EHC plan. More information on SEND and the approaches taken by Kent County Council can be found here:

<https://www.kelsi.org.uk/special-education-needs/special-educational-needs>

10. Supporting pupils following a sanction

Following a sanction, the school will consider strategies to help the pupil to understand how to improve their behaviour and meet the expectations of the school.

This could include measures such as:

- Reintegration meetings
- Daily contact with the senior leadership team
- Additional adult support in class and at times when behaviour can escalate.

11. Pupil transition

11.1 Inducting incoming pupils

The school will support incoming pupils to meet behaviour standards by offering an induction process to familiarise them with the behaviour policy and the wider school culture.

11.2 Preparing outgoing pupils for transition

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information relating to pupil behaviour issues may be transferred to relevant staff at the start of the term or year.

12. Training

As part of their induction process, our staff are provided with regular training on managing behaviour, including training on:

- The proper use of restraint known as Positive Handling
- The needs of the pupils at the school
- How SEND and mental health needs can impact behaviour

Behaviour management will also form part of continuing professional development.

13. Monitoring arrangements

13.1 Monitoring and evaluating behaviour

The school will collect data on the following:

- Behavioural incidents, including removal from the classroom
- Attendance, permanent exclusions and suspensions
- Use of pupil support units, off-site directions and managed moves
- Incidents of searching, screening and confiscation
- Perceptions and experiences of the school behaviour culture for staff, pupils, governors, and other stakeholders (via anonymous surveys)

The data will be analysed every term by Lianne Jones, Deputy Headteacher and DSL

The data will be analysed from a variety of perspectives including:

- At school level
- By age group
- At the level of individual members of staff
- By time of day/week/term
- By protected characteristic

The school will use the results of this analysis to make sure it is meeting its duties under the Equality Act 2010. If any trends or disparities between groups of pupils are identified by this analysis, the school will review its policies to tackle them.

13.2 Monitoring this policy

This behaviour policy will be reviewed by the headteacher and governing body at least annually, or more frequently, if needed, to address findings from the regular monitoring of the behaviour data (as per section 13.1)

The written statement of behaviour principles (appendix 1) will be reviewed and approved by the full governing body annually.

14. Links with other policies

This behaviour policy is linked to the following policies:

- Exclusions policy
- Child protection and safeguarding policy
- Physical restraint policy
- Mobile phone policy
- Anti bullying policy

Appendix 1: written statement of behaviour principles

- Every pupil understands they have the right to feel safe, valued and respected, and to be able to learn free from the disruption of others
- All pupils, staff and visitors are free from any form of discrimination
- Staff and volunteers set an excellent example to pupils at all times
- Rewards, sanctions and reasonable force are used consistently by staff, in line with the behaviour policy
- The behaviour policy is understood by pupils and staff
- The exclusions policy explains that exclusions will only be used as a last resort, and outlines the processes involved in suspensions and exclusions
- Pupils are helped to take responsibility for their actions
- Families and carers are involved in the handling of behaviour incidents to foster good relationships between the school and pupils' home life

The governing board also emphasises that violence or threatening behaviour will not be tolerated in any circumstances.

This written statement of behaviour principles is reviewed and approved by the full governing body annually.

Reminder

This step should not be confrontational and is a reminder of the expectation. The aim is to identify any problems with accessing the learning or why a child feels a certain way. Often this step is enough to end the behaviour.

Reminder

I noticed you chose to..(shout out). This is a reminder we need to be respectful. You now have chance to make a better choice. Thank you for listening.

Warning

I noticed you chose to (shout out again). This is the second time I have spoken to you. I would like to speak to you for two minutes at the end of the lesson. If you choose to shout out again you will leave me no choice but to ask you to (LIST SANCTIONS – move seats, finish learning at playtime, learners name to be said) . Everybody has the right to learn. Do you remember when you (list previous good behaviour) That is the behaviour I expect from you. Think carefully. I know you can make good choices. Thank you for listening.'

Warning

Always given on a 1-1 basis with the child with a reason. Adults support the child to de-escalate.

Time Out

I noticed you have chosen to continue to shout out and talk. Please collect your book and pen and move to _____. We will speak in two minutes/end of lesson.

Restore:

*What happened? (Neutral, dispassionate language.)
What were you feeling at the time?
What have you felt since?
How did this make people feel?
Who has been affected? What should we do to put things right?
How can we do things differently?*

Time Out

"The severity of a sanction is less important than the certainty of the sanction."

When giving a sanction, adults must tag the behaviour, refer to a previous positive experience and get back on track as soon as possible.

Consequences include:

move seats, parallel class, miss part of playtime (never all maximum 5 minutes), miss part of lunchtime (never all maximum 5 minutes).

Phone call/discussion with parents
Logged on CPOMs

Restore

Not every incident needs a restorative conversation but when it is felt that the trust has been broken then it must be used.

What happened? (Neutral, dispassionate language.)

What were you feeling at the time?

What have you felt since?

How did this make people feel?

Who has been affected? What should we do to put things right?

How can we do things differently?

The following behaviours will instantly referred to SLT:

Fighting/Physical Aggression – (intent) kicking, hitting, pushing, shoving, biting (with intent to do harm)

Abusive Language – Racial taunting/child on child abuse

Leaving School Grounds without permission

Threat or intimidation/bullying – verbal threats of aggression against another person

Theft

SLT Sanctions:

Sanctions could include:

- Informing parents of behaviour incident
- Loss of playtime or lunchtime for a reflective discussion around behaviours
- Loss of playtime or lunchtime to ensure behaviour is not repeated to ensure the safety of other children and adults.
- Working in senior leadership office (referred to as an internal suspension)
- Implementation of a behaviour plan to include a tracking behaviour sheet (red, amber, green). Report to SLT daily
- Suspension

Children will be reminded of their previous good conduct to prove that they can make good choices. The child is given take up time and the staff member will walk away. Any comments made by the child will be ignored until the restorative conversation where they will be addressed. The staff member will resist endless discussions around behaviour and will spend their energy teaching. If appropriate, 'Stay behind for 2 minutes after class' can be added to this step. This is not open to negotiation and cannot be removed, earned back or reduced.</p>	<p>Reminder – I noticed you chose to..(shout out). This is a reminder we need to be Respectful. WARNING – Child's Name, you're calling out for the second time. We need one voice in class. We will discuss this after the lesson. Make the last ten minutes of this lesson a success by not calling out.'

TIME OUT - If the behaviour continues the adult may decide that 'time out' away from the distraction is necessary. This may be within their own classroom or in the other classroom for that year group. During 'time out' the child will be expected to continue their learning and once this is complete, hopefully they will show that they are ready to go back to the 'Reminder' stage. A phone call home will be made by the class teacher when a child reaches 'Time Out.'. The phone call will inform parents of the rule or rules which have not been followed. This action will be recorded on CPOMS. The child will be informed of this at the end of the session, after time has been given to deescalate the situation.

Teacher Consequences – move seats, parallel class, miss part of playtime (never all maximum 5 minutes), miss part of lunchtime (never all maximum 5 minutes)

TIME OUT I noticed you chose to (noticed behaviour) You need to.....(Go to another table/have time out/finish your work at break etc)
Playground: You need to(Stand by other staff member/Me /Sit on the picnic bench/Stand by the wall etc) I will speak to you in two minutes.
Example - 'I have noticed you chose to use rude words. You are breaking the school rule of being respectful. You have now chosen to go and sit in the quiet area. I will come and speak to you in two minutes. Thank you for listening.'

RESTORATION –

What happened? (Neutral, dispassionate language.)
What were you feeling at the time?
What have you felt since?
How did this make people feel?
Who has been affected? What should we do to put things right?
How can we do things differently?

RESTORATION:

When the child returns after their sanction, and are regulated ask:
What happened? (Neutral, dispassionate language.)
What were you feeling at the time?
What have you felt since?
How did this make people feel?
Who has been affected? What should we do to put things right?
How can we do things differently?
You made a poor choice that resulted in you having to move to another classroom. I will phone home and inform your parents. Do you remember when (description of previously displayed positive behaviour by pupil). That is the behaviour I would like to see. Thank you

FINAL STAGE

- If after restoration, the child continues to show the initial behaviour, support of SLT will be sought. This is once the cycle of Reminder – Warning – Time Out and Restoration have been used.

The following behaviours will instantly referred to SLT:

Fighting/Physical Aggression – (intent) kicking, hitting, pushing, shoving, biting (with intent to do harm)

Abusive Language – Racial taunting/child on child abuse

Leaving School Grounds without permission

Threat or intimidation/bullying – verbal threats of aggression against another person

Theft

Sanctions could include:

- Informing parents of behaviour incident
- Loss of playtime or lunchtime for a reflective discussion around behaviours
- Loss of playtime or lunchtime to ensure behaviour is not repeated to ensure the safety of other children and adults.
- Working in senior leadership office (referred to as an internal suspension)
- Implementation of a behaviour plan to include a tracking behaviour sheet (red, amber, green). Report to SLT daily
- Suspension
