

30th September 2025

Dear Parents and Carers

As part of our Science learning, Year 6 would like to go on a walk to the Saga Enbrook Park Woodlands on Thursday 16th October to conduct a pattern seeking investigation on the different types of plants, trees and their associated leaves that can be found there.

We will be leaving the school at 1:30 and returning at 2:45. As the walk is a short one, permission for your child to attend has already been given via documents signed when your child enrolled at Sandgate. However, if you would **not** like your child to attend, please let us know.

We would be grateful for any parent helpers who could join us for our walk and investigation. If you're able to do so, please indicate on the slip below.

Thank you,

Mrs Evans

I give permission for the teacher in charge of the group agreeing on my behalf for the administration of an anaesthetic or any other urgent medical treatment which may prove necessary.
